Doug was present to talk about where we are with dues collection. 3 houses were still past due and he would be calling to turn trash off and add the late fee. Homes still outstanding – Rachel Brown, McSilva and Ciamundo households.

Spoke on purchasing a laptop for the treasurer so that everything would be in one place. Purchase approved and Doug will be buying and setting it up for Deva. Doug will meet with Trevor and Deva to transfer bank accounts into their names.

Spoke on rolls for the secretary and getting the files and binders to Andrea
Spoke about getting the HOA email log in to the new HOA board members.

We addressed adding committee members for Architecture, the pool and landscape and treasurer.

Bids are going out for common areas and Island mulch.

Trevor brought up writing a quarterly newsletter to add the website and Facebook. It would highlight what is happening in the neighborhood.

Trevor has volunteered to mow the pool and we will pay him. We did not address the amount.

Next Meeting Thursday, May 7th.
