

## FOR ANC 3F06 Election Update

Neighbors,

Over the last few months, I have had the privilege to meet so many incredible people that are passionate about making DC a safer and more inclusive home for all residents. This has been an experience that I will hold close for years to come. It is with sadness that I announce that my campaign to represent 3F06 as the next ANC was unsuccessful. But I am more energized than ever to stay involved with the community in different ways, and continue to use my voice to advocate for positive, safe, and inclusive change.

I offer my best wishes to Courtney Carlson as they move forward in their new role representing Chevy Chase, Wakefield, and Forest Hills. Our neighbors that live in single-family homes and apartments, that ride a bike, walk, drive or take a bus, those with children and without, the young and the elderly, the abled and differently-abled, and those of various races, genders, ethnicities, sexuality, and socioeconomic statuses all look to them now to be the advocate and voice of the community. I look forward to seeing the positive change to come.

With Gratitude,

Bridget Schwartz
