

Building Trust with Quality Work

We'll get the job done!

Who we are:

Grateful-Heart LLC is an MBE, DBE, WOSB-certified, leading commercial construction company dedicated to providing high-quality construction services to clients across different industries. With extensive experience, a skilled team, and a customer-centric approach, we take pride in delivering exceptional results on every project we undertake.

Grateful-Heart LLC completes buildings for specific purposes; upgrades existing spaces, including offices, manufacturing/industrial, laboratories, retail spaces, medical facilities, and more.

Our philosophy is simple:

We take care of the client first and treat others with respect and deference. No project is too large or too small if it's work that a client wants completed.

Core Competencies

--: Construction Expertise --: Safety --: Quality Control
--: Sustainability --: Self-performed Work

Expertise and Differentiators

- Outstanding client services for successful construction of new and remodeled facilities.
- Skilled at fulfilling client needs through lean construction, integrated project delivery, construction management, and as a general contractor.
- A comprehensive safety program that emphasizes safe work practices, regular safety training, and hazard recognition.
- A rigorous quality control program that ensures that every aspect of your project meets or exceeds industry standards and your expectations.
- Commitment to sustainable construction practices through LEED projects that minimize the environmental impact of our work.
- Use of eco-friendly materials, reduce consumption, and minimize waste in every project we undertake.
- Ability to self-perform many project components, providing our clients with an added advantage in the marketplace.
