

## **IT'S ALRIGHT**

You're looking so sad  
Just breaking to tears  
So tired and forsaken  
Abandoned by peers

Your prayers never answered  
Your skies are all gray  
Your hopes all in tatters  
Your dreams swept away

Cry  
If you feel you must cry  
I'm near you  
I know you  
I'm holding you  
Ah, you know me  
It's alright

I was a sworn skeptic  
You poked fun at my jeers  
But words you spoke truly  
Drew courage from fear

Of course, I'm not your savior  
I'm not the Lone Ranger  
I'm just your caretaker  
And Christ knows you've been mine

So, cry  
If you feel you must cry  
I'm near you  
I know you  
I'm reaching out for you

Smile  
Oh please lady smile  
I'll hold you  
Through dark times  
Your harbor  
Your lifeline  
It's alright  
It's alright

It's alright  
It's alright  
It's alright  
It's alright
