

## **APPENDIX H: WILDFIRE EVENT DETAIL BY COUNTY**

The data used for the wildfire risk assessment derives from the Kentucky Division of Forestry (housed under the Energy and Environment Cabinet).

The type of data collected and provided to Kentucky Emergency Management (KYEM) and the University of Kentucky Hazard Mitigation Grants Program Office (UK-HMGP) varied between 2013-2017, 2018, 2019-2020, and 2021. Data available effectively lags by one year, i.e., 2022 data will not be available until 2023. (2022 data is compiled at the end of calendar 2022.)
