

## **REQUEST FOR QUALIFICATIONS ADVERTISEMENT FOR BIDS**

Big Sandy Area Development District is requesting statements of qualifications from consulting engineering firms wishing to provide engineering services related to the Water System Controls and Raw Water Modifications Project for Martin County Water District located in Martin County, Kentucky. The project is funded from an approved Abandon Mine Lands grant of \$3.4 million. Minimum requirements include previous design experience in water system infrastructure projects.

The complete Request for Qualifications package can be obtained by calling Monica Spriggs at the Big Sandy Area Development District at (606) 886-2374 or e-mailing at [monica.spriggs@bigsandy.org](mailto:monica.spriggs@bigsandy.org). **The deadline for receipt of submissions is September 19, 2018 no later than 4:00 p.m. EST.**

There will be an open house for consulting engineering firms to tour and inspect the water intake and water treatment plant on September 12, 2018 at 10:00 a.m. EST. The tour of the facilities will begin at the water treatment plant located at 14 Flat Hollow, Inez, Kentucky, 41224.

Submissions will be reviewed by representatives of the Big Sandy Area Development District and Martin county Water District ranked on the basis of written materials as set forth in the RFQ package. Big Sandy ADD reserves the right to schedule interviews with any or all respondents or to reject any or all proposals. Kentucky Relay Service for the hearing and speech impaired: 1-800-648-6056. Local, minority and female-owned firms are encouraged to respond.

**Big Sandy ADD is an Equal Opportunity Employer.**
