

2024 CHAUNCEY EVENTS SPONSORSHIP REQUEST

Last year Chauncey attracted hundreds to the park for family entertainment including music, food, vendors, and events for everyone to enjoy!

We are hoping to bring in even more families this year from all over the region! Free local festivals and events like these allow everyone the opportunity to interact with neighbors, nature, and the outdoors. We are working to involve local people, and suppliers for food/beverage, services, and attractions, which brings an even greater economic benefit to the region. Rural events contribute to the quality of life for our region by strengthening communities, providing unique activities and events as well as acting as instilling community pride.

To accomplish this, we need your help because we strive to make our events as inclusive and barrier-free as possible. We are offering 4 sponsorship levels that offer exposure to not only the SE Ohio region but also thousands of visitors that are coming to Chauncey to visit the Baileys Trail System through our Chauncey Community Park including at races being hosted at our park. Lots of visibility for you and community engagement for us, it's a win-win!

2024 Events:

- Clean-Up Day
- Community Trails Celebration
- 4th of July Celebration
- Halloween
- Christmas

...and more pending fundraising success!
