NEW BUSINESS

- Tax Levy:
 - Property Tax – Expires at the end of next year. Possibly renewal this November for at least the same rate. Use property taxes to pay for Police Marshal?
 - Police Marshal Tax Levy – Pay by property tax and maybe initiate an income tax levy to pay towards a Police Marshal.
- Sewer Repairs:
 - The Mayor is attending an ALAP/USDA meeting on Friday to get their input on our sewer situation.
 - Consider getting environmental assessment to see future repairs needed in the sewer lines.
 - Water and Sewer Rates – Compared with The Plains rates. Hope to receive rate analysis results from RCAP soon.
 - Need to hire an environmental consultant to see what development would be permissible on the land.
