**ADDITIONAL NOTES (Please read before signing application)**

Application is hereby made for a DEVELOPMENT PERMIT as required by the **Floodplain Management Ordinance (2021-2)** of the Village of Chauncey, Ohio for development in identified flood hazard area. All activities shall be completed in accordance with the requirements of said Ordinance. The development to be performed is describe below an in attachments hereto. The applicant understands and agrees that:

- This permit is issued on the conditions and facts described;
- Any permit may be repeated if conditions or facts change;
- Permit void if the activity has not begun within 180 days of the issuance date;
- The permit will remain valid for one year from date of issuance.

In addition to completion of this form the applicant agrees to submit any additional information required by the administrator in order to determine that the proposed development is compliant with the local and federal flood damage prevention criteria of the National Flood Insurance Program. Additional information may include but is not limited to: site specific plans to scale showing the nature, location, dimensions and elevations of the area and structure(s) in question.

An existing structure must comply with the flood protection standards if it is substantially improved (an improvement equal to or greater than 50% of the market value of the structure). FEMA maintains that the "substantial improvement" definition applies to existing structures only and that once a structure meets the definition of "new construction" any further improvements to the structure must meet "new construction" requirements. For floodplain management purposes "new construction" means structure for which "start of construction" began on or after the effective date of the initial Flood Insurance Rate Map issued by FEMA for the community.

**I AGREE THAT ALL STATEMENTS IN AND ATTACHMENTS TO THIS APPLICATION ARE A TRUE DESCRIPTION OF THE EXISTING PROPERTY AND THE PROPOSED DEVELOPMENT ACTIVITY. I UNDERSTAND THE DEVELOPMENT REQUIREMENTS FOR SPECIAL FLOOD HAZARD AREA ACTIVITIES PER THE FLOOD DAMAGE PREVENTION ORDINANCE AND AGREE TO ABIDE THERETO. I UNDERSTAND IT IS MY RESPONSIBILITY TO OBTAIN ALL APPLICABLE FEDERAL, STATE AND LOCAL PERMITS.**
