Special Council Meeting 10/27/22

Call to Order 5:40 pm 10/27/22

Roll Call:

Connaught C. – present

Tammy H. – present

Evelyn N. – present

Dylan S. – present

Karla D. – present

Appalachian Community Grant BUILDS: Mining buildings are in the best shape out of any of the mining buildings that they have inspected in Southeastern Ohio. The buildings will cost around \$500,000 to have the buildings revitalized. This falls under the downtown revitalization part of the grant. Rural Action reached out to Mayor Amy regarding the grant application. They would like to include the mining buildings in the application with two other area projects.

Mayor Amy met with AEP regarding the village underground lines. She has not heard back from AEP regarding the estimated cost. This could also be included in the Appalachian Community Grant BUILDS.

Mayors Partnership will be applying for the Appalachian Community Grant BUILDS and will include Chauncey.

The village council would like to check into branding for the village.

Park:

Name of the park: 2021-7 Resolution was naming the park “Chauncey Park Trailhead”. The reason for the dropping of “Dover” is that they do not contribute to the park. The village is working on the park being annexing the park into the village. The village council would like to see two separate signs, one for the park and one for the trailhead. One will be the village branding and one will be the Baileys Trail System Branding. The village council would like to know where the sign will be located. They feel as if it is not safe at the top of the hill due to it blocking the view to get out of the drive. If Jessie at ORCA agrees, the village would like it moved down the hill instead of at the road. The village would like the signs for the village to follow the village color themes (Blue and White).

The village would like to rename the park to “Chauncey Community Park”

Resolution 2022-27 Naming of the park in Chauncey.

The village council would like to name the park in Chauncey, “Chauncey Community Park”. Tammy Hawk made a motion to introduce the resolution which was seconded by Karla

Dellinger. Connaught Cullen declared the resolution an emergency due to the grant funding running out for signs for the park; seconded by Dylan Skees

Connaught Cullen: Yes

Karla Dellinger: Yes

Dylan Skees: Yes

Tammy Hawk: Yes

Evelyn Nagy: Left before vote.

Motion to adopt, Karla Dellinger made a motion to adopt Resolution 2022-27; Connaught Seconded. AIF.

This resolution will override the old Resolution 2021-7 of the naming of the park.

The information history kiosk. Tammy found a typo and notified Connaught for her to relay the information. The kiosk will have rules for Bailey's trail. The village would like to see the information kiosk for the trailhead to be located at the backside of the parking lot. The council would like to see the colors changed to the village colors and add QR code for the park and remove Bailey's logo at the bottom and put Bailey's QR code. The council would like the history of the village sign to be located within the park.

The donation box for the trailhead was removed from the park. The council would like to see it in the same location as the rules for Bailey's trail since the funds are going toward Bailey's trail only.

The motion to adjourn the meeting made by Connaught Cullen, and Dylan Skees seconded. AIF at 6:54.

Keri Lin
Fiscal Officer

Connaught Cullen
President of Council
