

NEW Hassle-Free Red Light Bed Ownership

We're excited to introduce a powerful new program to help you support long-term customer success:

The Annual Rental Program for the new Trifecta Light Pro 450 Red Light Bed.

This program allows you to seamlessly integrate red light therapy into your practice —without a significant upfront investment

Owning capital equipment like the Pro 450 Red Light Bed is smart, and now, we're making it affordable.

That's where this rental program becomes your secret weapon.

How It Helps You Attract and Convert More Clients:

- **Low Barrier to Entry:** Offer red light therapy without a huge upfront investment, ideal for new or smaller practices.
- **Reduced Financial Risk:** Test client demand without the commitment of buying expensive equipment.
- **Access Latest Tech:** Provide cutting-edge therapy without worrying about upgrades or depreciation.
- **Predictable Costs:** Replaces large capital outlay with clear, consistent rental fees for easier budgeting.
- **Focus on Growth:** Free up capital for marketing, staff, or other business investments.

Perfect for:

- Clinics or practitioners who are looking for a more affordable option
- First-time business owners or wellness startups
- Buyers who want proof of ROI before fully committing

This program was created to help you build credibility, address common objections, and ultimately boost your close rates.

Rental Terms:

Upfront Payment:

- | | |
|-------------------------|--|
| • Minimum Term: 1 year | • First month's rent: \$2,240 |
| • Monthly Rate: \$2,240 | • Non-refundable deposit: \$2,500 |
