**TEMPORARY RESTRAINING ORDER**

This matter coming before the Court for hearing on Plaintiff's Emergency *Ex Parte* Motion for Temporary Restraining Order ("Motion"), the Court being fully advised in the premises, IT IS HEREBY ORDERED that Plaintiff's Motion is GRANTED for the reasons stated on the record and set forth more fully herein.

The Court finds that Plaintiff has carried his burden to demonstrate all necessary elements to obtain the requested relief, including that Plaintiff has suffered an injury in being dispossessed of his assets and that there is likelihood of dissipation of those misappropriated assets rendering such injury irreparable.

Further, the Court finds that advanced notice of this temporary restraining order is not required because Plaintiff has demonstrated that it is likely that Defendants will abscond with the assets if such notice were provided.

Accordingly, the wallets listed below are hereby frozen, effective immediately, while this order remains in effect.
