## Mod Lite STARS Confirms 2020 Winter National Dates Feb 12<sup>th</sup> – 15<sup>th</sup>

OCALA, FL – The Modified Lite STARS Series, LLC has confirmed that the Mod Lite STARS will be returning to Bubba Raceway Park for their 6<sup>th</sup> Annual Winter Nationals with action starting Feb 12<sup>th</sup> with open practice and the Race of Champions.

Once a year, the best mod lite teams from all over the country pack their haulers and head to the sunshine state to compete on the biggest stage. The always exciting Bubba Raceway Park will once again play host for the four day battle with more than \$30,000 up for grabs. Last year fifty-eight drivers were in attendance, and for the fifth year, Bubba Raceway Park provided the STARS with an excellent track at the famed 3/8 mile dirt oval. “The nationals continued breaking records with more than \$30,000 of cash awarded to the drivers, a \$5,000 increase over the previous year, said STARS President of Competition and Racing Operations,” Bill Bauer. We are currently working with our marketing partners and based on their support we hope to exceed the \$30,000 mark set last year.

The 2019 5<sup>th</sup> Annual Winter Nationals saw Laurel, DE James Hill taking home the wins for the Race of Champions and Preliminary Night #1, Texas driver Corey Babbitt won Preliminary Night #2, and Somerset, PA driver Alan Knepper took home the win on the final night winning the Winter Nationals. Non-Qual feature winner went to Iowa Mike Kennedy.
