### Graduations, celebrations, school's out... Fundraising, commissioning, Gathering... WHEW!

There are 26 days before most of us leave for the Gathering, and 23 days for those of you attending MYLE. Between now and then we have folks graduating High School, AA degrees, and 8th grade. And then there are the celebrations of those graduating and the celebration of the triplets getting their licenses, and then school's out!

But wait, we're not done. We have a picnic for the

Gathering team and their families on June 16th, a commissioning service on June 17th and our camping trip/Nason Creek fundraiser starting on the 18th... Yikes!

Is anybody else as tired as I am just thinking about this?!

Instead of feeling overwhelmed let's use this time to get excited for what's to come!

### Nason Creek... this could be fun

Imagine, if you will, a park like setting, a 28' camper with all the amenities of home, more toilets than you can use, fun and unusual travelers, the best candy store ever just a few miles down the road, your friends and family... aaahhhh!

That is what Nason Creek

will be. Don't think of it as one more fundraiser, think of it as a fun adventure prior to an even bigger fun adventure. If you want to come out and stay a day or two or three and help out with shifts or just hang out, please do. Just make sure to let me know ahead

of time and bring a sleeping bag and a deck of cards.

## Keeping busy during the summer

In case you run out of things to do this summer, here is a list of random acts of kindness to keep you busy.

- Offer to babysit (no charge) for a neighbor.
- Let someone cut in front of you at the store check out line.
- Clean out your closet and donate your clothes.
- Bring in your neighbor's trash bins.
- Drop off a toy or game at a homeless shelter.
- Return a shopping cart to it's proper place.
- Spend a morning at an animal shelter.
- Take care of your siblings chores.
- Help a family member or friend clean their house.
- Pick up garbage along a local road, beach or park.
- Help your neighbor (or your parents) with their yardwork.
- Be kind!

## VBS/Day Camp July 30—August 3

### We need you!

We need helpers with the pre-k class, helpers with the k- 5 grade classes, helpers in the kitchen, helpers at registration and check out, helpers for set up and clean up... In general we need help.

Would you like to be one of those helpers? Yes, of course you would! Even if you are not available the entire week, I would love for your face to be here a day or two.

Please contact Beth to sign up.
