Summer Worship Schedule Begins June 5

For the summer months, our worship service will be at **9:00 a.m.**, beginning **June 5**.

Some thoughts for June and July

It's early morning, I'm walking my dog in commons area near our home. There are two small ponds with cattails growing back. It's pretty much quiet, other than redwing blackbirds singing their distinctive song, a pair of kildeer trying to lure us away from their nest, Eurasian doves cooing and an occasional frog croaking. It is wonderful to sense the harmonies which can be seen and heard in early hours. It's the same kind of thing I saw and heard in both North and South Dakota.

I stood there remembering an early morning when I was sneaking into my turkey hunting spot in the early morning darkness on the North Dakota prairies. It was absolutely calm and quiet except for the sound of my footsteps on the dry leaves. Upon finding my spot I sat and took in the silence. But then the sun started to peek over the horizon and nature started waking up. What a cacophony of sound. Calves bawling, cows blaring, ducks quacking, crows cawing, pheasants crowing, turkeys gobbling, frogs croaking, and songbirds of every sort. It was truly a symphony of nature. I wanted more of the silence.

Sometimes silence can be our most effective language. Isn't it true that when prayer is at its best it often trails off into silence? Can it be that just at the point where words fail that our deepest prayer begins?

One of my teachers at seminary wrote these words that I cherish: The saddest and gladdest events go beyond the range of communication. The dimensions of our experience are too vast for utterance. Language breaks down at the moment when we most desire to communicate. But it is important to have an ear for silence and to understand the silences of others. There is a great comfort in knowing that, though we do not know how to pray as we ought, "the Spirit intercedes for us with sighs too deep for words".

I am sure that there have been times over the past two years that you have not been able to pray as you ought. You should know that when you have not been able to pray others have prayed for you. It's what we do as a congregation.

Pastor James is finishing up the first month of his sabbatical. We sent him off with seven-word prayers for him to use to remember us as we remember him in his journeys and time away. We pray that in the silences he encounters he will experience the Spirit interceding with sighs.

THE MISSION OF GRACE LUTHERAN CHURCH

To proclaim and celebrate the gospel of Jesus Christ through word and sacraments so that a community of believers is created, trained, nurtured, and sent into mission.

In this June/July newsletter, we know that by the end of July both Anna and Dane will be ending their internships. What a joy it has been to have them as a part of the ministry we share here at Grace. They too have been praying for you and they too have encountered times when it has been hard to pray. I know that in those times they too have been able to hear your prayers for them in the silences of their lives. Thank you for supporting their growth to become pastors.

I thank you for the opportunity to serve you for this short time while Pastor James is on sabbatical. You are in my prayers and for whatever prayers you offer in my name I am most grateful. I thank God I will be able to hear them in my own silence.

In the silence, what is God saying to us? In the silence of the morning, I could see the Wenatchee hills alive; the rains have turned the hillsides green, flowering plants and fruit trees have blossomed, some thriving, some not doing so well because of cold weather. However, it is amazing! We do not hear the march of the seasons or the rising of the sun. We do not hear the miracle of growth beneath our feet. I stood there, on my morning walk with my dog, listening to the sounds of life, offering thanks to the sometimes-silent God who is our refuge and strength.

Anna's Last Article

Here we are at June! And this will be the last article that I will write for Grace. I cannot believe that this year has flown by so quickly. However, there are still two months left and I am not done. So, I wanted to give you all a rundown of things that I will be partaking in these last two months.

June 1st- This evening will be hosted by the RIC Committee and the food theme is anything rainbow or colorful. If you have a dish that is multicolored, whether it be a brightly colored salad, a layered Jell-o dish, or a main dish with all of the peppers, bring it by at 5:30 p.m.

June 5th- Pentecost and Lute Loop. We will be celebrating the Holy Spirit coming down by riding bikes and walking. At least I hope there's walking. But I plan to join you all that afternoon.

June 8th—It is the last Meeting Ministries of Grace. It has been so great to have this time together of food and fellowship. This evening will be hosted by the Youth Team and the food theme will be a baked potato bar at 5:30. Then join us for a fun hour of playing Bunco at 6:00 p.m.-all ages can play the game, no skill required.

June 18th- Grace Lutheran will have a table at Wenatchee Pride Festival from 11-7. We will have buttons and other goodies. Come on by to support us and the LGBTQIA+ community. If you would like to help volunteer to help out our table, contact Beth Smallbeck and if you would like more information on The Wenatchee Pride Festival, go to this link here (<https://www.wenatcheepride.org/2022-pride-festival>)

June 19th- 29th- I will be in Louisiana with our Service Trip group. Thank you all for your support with the Nason Creek fundraiser. I will be reintroducing my skin to humidity and going on my first mission trip. I'm hoping this will be a week of renewal through service.

July- I will be teaching my last class here, on the history of women in the early church. This will be going from the bible to before the Reformation. We plan to have it in person, in the multipurpose room on Thursday Evening at 7:00 starting June 30th. Email me if this is something you are interested in.

July 24th- We are going to Inspirations to do a fused glass project as my end-of-year project with the congregation. This will be a time of fellowship and art together.

July 31st- This will be my last Sunday. I have heard that there will be some kind of event to celebrate and remember my year here, but I've been mostly kept in the dark.

I want to thank you all for the amazing year. It has been so wonderful to get to know and learn from you all. It has been such a great ten months, and we've still got two more.

I am off Mondays and Saturdays for my days off and will not be in the office from June 19-29.

Morning Prayer

Thursday mornings, at 7:00, you are invited to join us in the sanctuary. Our morning prayer will typically involve reading of scripture, then a time of prayer, then finish with the Lord's Prayer.

Sip and Create with Anna

Are you interested in learning to make fused glass? The intern committee has reserved Inspirations Ceramics Studio (400 9th Street,) and an instructor to help us make fused glass projects from 2 to 4 on the afternoon of Sunday, July 24. This will be an opportunity to spend some time with Anna, create a something beautiful, and share some time with others from our church family.

The cost to participate will depend on the project you choose to make. We will ask for \$10 to secure your place due at the time of registration. this will be applied to the cost of your project. The balance will be due at the time of the class. Registration is available to people 8 and older. Please contact the church office by July 20 to register.

We will supply light snacks and there is a cafe on site featuring ice cream treats and beverages. To see a list of projects, their prices and the cafe menu visit <https://www.inspirationsceramic.com>

28th Annual Lute Loop Sunday, June 5 2:00 p.m.

Each year we celebrate the holy breeze by bicycling the Riverfront Loop on Pentecost. On Sunday, June 5, we'll gather at the foot of 5th Street - bikers, joggers, walkers, spectators, and friends are welcome.

Ladies Salad Potluck

The women of Miriam Circle invite all of the women of Grace to a salad potluck in the church Fellowship Hall at 6:15 p.m., Tuesday, July 19. No program is planned, just good food and pleasant company. Please bring a salad to share. Beverages, bread, and dessert will be provided.

ANNA & MIRIAM CIRCLES

Anna Circle meets on Wednesday, June 8, and Wednesday, July 13, in the multi-purpose room. We use the Bible study lessons from the Gather magazine. We warmly welcome anyone who enjoys discussion and fellowship. If you have questions, feel free to call Linda Sinnet at 509-699-8256 or Faye DeJong at 509-663-4590.

Miriam Circle will meet on Tuesday, June 21, at 7:00 p.m. at the home of Annie Bartlett. Please let Annie know if you will not be able to attend.

Celebrate the Summer Together!

We are excited to offer a new resource for families to use throughout the summer! ***Families Celebrate Summer*** is a colorful deck of 56 cards, each featuring a faith-based ritual, reflection, or other activity for families with kids ages 3-12. Color coding shows a range of fun ideas to try at home and on the go. Please contact [Beth](#) for more information or to get a set of cards.

Volunteers Needed

On August 6, a team of packers is needed to box and label the contents of the intern condo for storing until new Intern housing is found. On August 13, a team of movers and a number of trucks and vans are needed to transport boxes and furniture from the Miller Street condo to Grace Lutheran Church. If you or someone you know can be of help on those days, please sign up in the entry way following church today or next week, or contact the church office ASAP. The Intern Committee needs a head count of possible volunteers in order to determine if we need to hire a company to perform these services. Assembling a volunteer packing and moving team would mean a considerable financial savings.

Friends of Ukraine Refugees

At its meeting on May 10, the Wenatchee Ukrainian Refugee Committee agreed to incorporate. On May 11, its successor organization Friends of Ukraine Refugees was incorporated with the Secretary of State of the State of Washington. The following Board of Directors and Officers were elected: The Rev. Ernst T. Bentsen, Kay G. Fisher, Dee Ann Gregg as Treasurer, Philip A. Gregg, Marin Alejandra Hansen, Rev. Dr. Keith Madsen as Secretary, Fr. Michael Shanbour, Russell J. Speidel as President, Barbara Tilly, and Jon Volyn as Vice President.

Friends of Ukraine Refugees is a Washington Charitable Nonprofit Corporation, organized and operated exclusively for charitable purposes to benefit refugees from the war in Ukraine. Application has been filed with the IRS for 501(c)(3) recognition. Articles of Incorporation, Bylaws, Tax Identification Number, IRS Form 1023-EZ, and Business License Applications have all been completed and filed. The mailing address of Friends of Ukraine Refugees is Post Office Box 686, Wenatchee, WA 98807-0686.

Friends of Ukraine Refugees has successfully settled our first refugee family in a house under lease. The rent is being paid from funds awarded to Chelan County by the Department of Commerce of the State of Washington. We are actively in the process of completing paid leases for two more refugee families. There is a big push to use as much as possible of the \$286,000 grant from the State before it goes away on June 30.

In June, Friends of Ukraine Refugees will address the issue of whether to become a guarantor financial sponsor for additional refugees from the war in Ukraine. The purpose of acting as a guarantor would be to encourage more refugees from the war in Ukraine to settle in North Central Washington. Please keep us in your thoughts and prayers as we seek discernment. Thank you.

Fox Trust Visioning Team Update – May, 2022

The Fox Trust Visioning Team met for its monthly meeting on May 10, 2022. The team reviewed the report from Michael Hamilton on the GLC building inspection. It was encouraging to see there were no major/unexpected recommendations. The inspection report is currently in review by church council.

The Fox Trust Visioning Team received five nominations interested in filling an open position on the team. The team selected an individual to fill the seat vacated by a recent resignation. The team forwarded the name to church council for ratification. The decision to determine whether to add additional seats to the team was deferred to the next meeting. The names of the remaining four nominees will be considered in filling additional seats. We are still accepting volunteers to submit their names for appointment. If you are willing to consider serving, please contact one of the team members: John McQuaig, Judy Conner, Karen Zanol, Bob Bartlett, Milt Herman, Gwen Sparks, Cheryl Salter, and Joanne Dalinkus.

There was discussion at length for the need to identify an estimate of funds needed for improvements to the Church campus. This will allow establishing the criteria to identify available funds for support of the projects and missions of the Church. The plan would include the process that will be used to identify appropriate projects/organizations. The team will hold a special meeting, dedicating a longer block of time, for this discussion. The team will select an independent facilitator to work through this process.

Reopening Committee Update

In March 2020, at the direction of Congregational Council, the Reopening Committee of Grace Lutheran Church began biweekly Zoom meetings. The committee studied and evaluated Covid data to determine the timing of a safe return to in-person church services, events, and activities during a global pandemic. To facilitate the earliest and safest possible in-person return, the committee recommended measures needed to safeguard the health and safety of members and visitors. In a return to in-person participation, the priority of the committee was the consideration of all worshipping at GLC, and especially those most vulnerable and marginalized.

Input was received from a variety of sources including but not limited to congregants, church staff, synod, local medical organizations and professionals, and state and national (CDC) public health agencies. After thoughtful and prayerful consideration of the data, informed recommendations were made to Congregational Council. Although not every recommendation was adopted, the committee recognized the council as the deciding body ultimately responsible for the health and safety of the Grace Lutheran Church.

The Reopening Committee greatly appreciates the opportunity of serving Grace Lutheran Church in this capacity. We hope that the Congregational Council and congregation will continue to consider those members and visitors who remain vulnerable whether during a pandemic or in life circumstances. May we continue to serve those in need and to speak for those whose voice is unheard. May we continue to grow as a congregation that is reconciling in Christ.

Current members of the committee:

SOCIAL CONCERNS TEAM

Little Free Pantry

The Little Free Pantry continues to get a lot of use. Items that go the fastest are personal care items, diapers and wipes, and cleaning supplies. So many of our pantry users need those things. The Dollar Store is a good place to get low-cost cleaning supplies, and they have some brands that we all know. The price there is now \$1.25, but it's still a bargain.

Many of you will be enjoying vegetables or fruit from your home gardens this spring and summer, and most of us have more than we can use. Fresh food is always popular at the pantry. If you have questions about how to best bring that to the pantry and where to put it, email [Pat Fitzgerald](#).

Vegetable seeds can also be distributed from the pantry – even if it's just half a package of left-over seeds.

As summer approaches, our regular pantry volunteers will be going out of town and will need a sub. If you would like to help, but don't want to commit to a day each week, perhaps you would like to be a sub as your schedule permits. Again, email [Pat](#).

Thanks to our loyal volunteers who each stock the pantry one day a week: Monte Olson, Jan Herman, Bob Bartlett, Linda Sinnett, Gloria Foster, and Mike Sweeney.

Packing Friendship

Many volunteers help keep our Packing Friendship program going throughout the school year. We'd like to say thank you to everyone who helped with our Packing Friendship program this year. Whether you shopped, packed or delivered bags, or supported us financially, you made a difference in the lives of students right here in your community. We would especially like to thank the following volunteers who gave of their time every week, or every other week, to pack and deliver food to schools: **Dan Hutchison, Tammy Beschen, Marka Perkins, Carolyn Bentsen, Pat Strand, Joanne Dalinkus and Dianne Fleming.** This year Grace Lutheran delivered over **1400** bags of food to local students and we couldn't have done it without you - **THANK YOU!**

Our church serves students at 3 schools: Washington and Columbia Elementary Schools and Foothills School. More than 20 other churches provide food for students at the rest of the schools throughout the Wenatchee and Eastmont School Districts.

We will take a break for the summer, but will start again in the fall with a food drive to kick off the school year - watch for more information in the September newsletter. Thank you again for your continued support!

Mark Your Calendars

- **God's Work Our Hands Sunday** – September 11th, 2022 – We will be collecting school supplies for area students. Please keep an eye out for more information as we get closer to the date.
