# THE GOOD NEWS OF GRACE

November 2021

A Newsletter for Members and Friends of

Volume 5 Issue 11

Dear friends,

*Journeys are movements from one place to another, often to a place that is unfamiliar, foreign, and strange. In fact, the Latin root of the word pilgrimage, peregrini, means “strange” or “stranger”. The journey to become a pilgrim means becoming a stranger in the service of transformation. A pilgrimage is an intentional journey into this experience of unknowing and discomfort for the sake of stripping away preconceived expectations. We grow closer to God beyond our own imagination and ideas.*

(Christine Valters Painter, The Soul of a Pilgrim)

Knowing sabbatical is on the horizon, I have been encouraged and renewed by recent interactions, whether they be in-person or through reading and reflection. A few weeks ago, I met a young man outside the grocery store who was looking for, asking for, a little help. He was a stranger to me, but by the end of our conversation we knew one another's names and something about each of our lives. I bought him some chicken and jo-joes from the deli, put a little cash in the bag, and as I was handing him these gifts he slid over on his bench and invited me to sit with him. He shared that he had gotten into some trouble with the law a few years ago and finds it difficult to get out from under that shadow. I didn't have an easy solution for him, but I did say, “every person in the human family deserves dignity”, his eyes brightened up a bit as he agreed with me.

Our journeys, his and mine, intersected that day. I recognize that God is very present in the meeting up of strangers. As I continue to look forward to sabbatical, my heart and lifestyle will be continually transforming so that I can adapt new perspectives, attitudes, and courage to be vulnerable as a stranger to others. Is there anything from the above quote, or this little story, that sparks some ideas for you? In your own way, can you also acknowledge the pilgrims journey?

Here are a few updates about our ministry as Grace Lutheran Church

- Our Wenatchee Valley intern, Dane Breslin, will soon be more present and engaged in our community. If you are attending worship with us in person, I encourage you to extend a hand of welcome to him and his family.
- Please watch for invitations to take part in our music ministry. Do you play an instrument and would like to help support our worship life? Do you love to sing the faith? Our seasonal Cantor Sean Burns is excited to get started early November.
- Please consider what your financial contribution might be for 2022. Your gifts help energize the mission of the congregation.
- If you are interested in joining the membership of Grace Lutheran Church, there will be two orientation sessions for you. Immediately following worship on Sunday November 14 and Sunday November 21, we invite you to come and learn more about one another and about Grace Lutheran Church and the Lutheran perspective of the Christian faith. New member Sunday will be December 5. Let us know if you are interested!

My days off in November: Nov. 5, Nov. 12/13, Nov. 19/20, Nov. 26/27 (note Thanksgiving offices are closed)

Together! Pastor James Aalgaard

## THE MISSION OF GRACE LUTHERAN CHURCH

To proclaim and celebrate the gospel of Jesus Christ through word and sacraments so that a community of believers is created, trained, nurtured, and sent into mission.

# Reopening Corner

The reopening team is thankful for the 198 persons who responded to our informal and nonscientific survey on vaccinations. We tabulated the responses and appreciated each comment. Although we cannot be certain of how many persons chose not to return a survey, we celebrate that of the 198 responses received, 197 persons reported their fully vaccinated status. This is good news, indeed.

Outside our congregation, we are aware that the local medical system is still experiencing high case numbers while remaining so understaffed that the National Guard is sending medical personnel to assist in treating Covid patients at Central Washington Hospital. We cannot ignore our responsibility to do all we can to assist our neighbors and our community in suppressing serious cases.

A core value of our reopening team is “Worship, Community, Service.” In order to keep our sanctuary doors open to congregants as well as to community members who would choose to worship with us, we remain careful and advise the council to maintain existing protocols until such time as there is better news from our beleaguered medical system. We continue with all of you in Christian service as we adapt and respond with love to changing circumstances within the congregation and the community.

## New Member Orientation

Are you interested in joining the membership of Grace Lutheran Church? You are invited to join us for two sessions following our 10:30 am worship on November 14 and 21. Please sign up with Pastor James, Intern Anna, or the church office. (509-663-2189 or [office@glcwen.org](mailto:office@glcwen.org))

## “So how are you settling here in Wenatchee?”

I have heard this question many times since moving here over the last two months. And I've given many responses that boil down to “Things are going well! I love the congregation. They have been very welcoming”. It is the TLDR (too long, didn't read) of the many things that have happened so far in my short time here. So, I figured, now it's been two months, I should expand on my response to this question and to let you all know how I am settling in.

“Things are going well!” I have figured out my schedule and the rhythm of my week. Mondays are my day off. Tuesdays are filled with meetings with Pastor James, the pastors in the area, and the staff. Wednesday is education day, with the midweek Lectionary study, 10@10, and my book study. Thursdays are more contemplative, with starting off in First Prayer and working on the different things that have come up in the week. They also have been graveside funeral day for me for the last two weeks. And Fridays are my catch-up day, writing a sermon that I'm preaching or writing out different parts for worship on Sunday, blessings and prayers. I also have figured out a schedule for my outside of church life, connecting with my partner, Josh, for date night every week, connecting with friends from across the country on Zoom, and spending time in the community, checking out all the food offerings of the valley and the people here, from Wenatchee Pride to the Wenatchee Youth Community.

“I love the congregation. They have been very welcoming.” I will admit, I had a few fears coming into this space. I was moving the farthest I had ever been on my own for the first time, with no connections out here. I was coming into a new congregation who had just become RIC, so I would have to learn a new culture and navigate how out of the closet I would have to be. But you all have been super supportive of me. You welcomed me with open arms and have invited me to lunch and coffees and time together. When we were deciding to welcome Dane as a part time valley-wide intern, I heard time and again that people were open to it, “as long as Anna was not left behind and that Anna would be able to serve out her internship to its fullest.” I also have been inspired about the work of the congregation, the Social Concerns team and the history of the church and its members helping the neighbor and being community. I see the Holy Spirit alive and well in this place, how open the congregation is to learn, to work with others in the valley and supporting the community in any way that it can.

There are times that I miss home, I miss my old community, my family, the humidity weirdly enough. But I also know that I am so supported out here and have a community that has opened its doors to me like so many others.

So yes, things are going well. I love the congregation. They have been very welcoming. And I thank God that I can call this place home, even if it only for a short time.

My days off in November are 11/6, 11/8, 11/13, 11/15, 11/20, 11/22-27 (vacation and Thanksgiving Holiday), and 11/29.

## Sunday Funday - Faith Formation

Please join us for our twice-a-month “Sunday Funday” on the 2nd and 4th Sunday of each month at 1:00 p.m. This month, we will meet on November 14 and 28 on the north lawn of the property. We begin with a brief opening, followed by Bible story time, and playtime. This is open to youth (and adults) of all ages. We will follow all current Covid regulations for the safety of those unable to be vaccinated. Email [Beth](#) with any questions.

## This, that, and the other thing...

Last month I introduced you to the idea of a multi-generational, ecumenical summer of service. I also asked folks to be in touch with me by October 20<sup>th</sup>...that day has come and gone. If you are interested or want more information, please contact me ASAP. There will be an informational meeting on Sunday, November 21<sup>st</sup> at 1:00 p.m.

Now that several months have past since it's birth, I'd like to share with you that we have created an ecumenical, welcome, and affirming group for the youth of the valley. This group does not replace any youth group, nor does it plan to. In the youth's own words, "we are an inclusive youth group based in Wenatchee hoping to spread awareness of social issues and create a safe environment for teens of any background." Currently, there are five like minded congregations supporting the growth of this group. We meet the second Sunday of the month at Washington Park and with the weather shift we will be moving to the YWCA. A huge thank you to the Endowment team for including Wenatchee Valley Youth in your disbursements. If you have any questions regarding this ministry, please contact [Beth](#).

# SOCIAL CONCERNS TEAM

## Resettling Afghan Refugees

With an extraordinary wave of refugees from Afghanistan to the United States now underway, Lutheran Community Services Northwest is ramping up services, programs, and staffing to meet this historic moment. The Social Concerns Team voted at their October 5th meeting to donate \$1,000 to Lutheran Community Services Northwest to help with the relocation of the refugees.

In the past year, Lutheran Community Services Northwest resettled more than 80 Afghan allies with Special Immigrant Visas (SIVs) in the Puget Sound and Portland areas. In the past three months, they have helped relocate more than 50 alone. In the wake of the U.S. troop withdrawal from Afghanistan, Lutheran Community Services Northwest is planning to assist hundreds more who were desperate to flee their Taliban-controlled country, including many whose immigration status is less secure.

Due to the number of Afghans being vetted and processed, however, the intake is taking longer than expected. It is anticipated that more than 50,000 people are going through this process on American Military bases. Once it is completed, refugees then arrived at Lutheran Community Services Northwest service areas in early October.

The staff at Lutheran Community Services is lining up safe and affordable housing options, employment opportunities, medical care, translators, transportation, and more.

If you would like to donate to Lutheran Community Services Northwest – Afghan Refugees, you can do so by going to the Lutheran Community Services website and click on Refugee Services Donation Form.

## Little Free Pantry

The Little Free Pantry received a huge donation of hygiene products from the Chelan/Douglas Community Action Council. The Little Free Pantry wants to thank you for such a wonderful donation and a huge thank you to the congregation for all your donations.

Current needs of The Little Free Pantry are paper towels, and toilet paper. The Little Free Pantry is always looking for volunteers and if you are interested, please contact [Pat Fitzgerald](#).

Current needs of the Pantry are women's hygiene products, toothpaste, toothbrushes, soap, deodorant, pasta sauce, and granola bars.

## Make A Difference Day – Saturday, October 23rd, 2021

Make A Difference Day was Saturday, October 23rd, 2021. The Social Concerns Team did a couple of projects this year.

Cold Weather Drive at Pybus Public Market – The team collected new and used coats for Powerhouse Ministries at Pybus. And then delivered them to Powerhouse Ministries. The SCT also purchased \$1,500 worth of coats for Powerhouse which supports those experiencing homelessness in Wenatchee, along with \$1,800 worth of sleeping bags for Women’s Resource Center-Street Ministries.

We repackaged coats after Make A Difference Day and distributed the coats to area Schools. The SCT and the Youth Formation groups worked with Serve Wenatchee Valley collecting school-age children’s coats, sorted the coats according to age and sex, then packaged the coats according to a list that was submitted by each school. Over 1,000 coats were distributed to area schools in the Eastmont and Wenatchee School Districts.

## WHS Students Experiencing Homelessness Christmas Gift Cards:

The Social Concerns Team is collecting gift cards for the Students of Wenatchee High School experiencing homelessness. You can help by doing one of the following:

1. There are 280 tags on the Christmas tree in the foyer from which you can select. Each tag lists a place of business and a dollar amount of the gift card to be purchased. Bring back your purchased gift card and gift card receipt to the church. Place the gift cards along with the gift receipt in the box labeled "WHS Homeless Gift Cards".
2. You can write a check to Grace Lutheran Church for the amount you would like to donate. In the memo line be sure to write WHS Homeless Students Gift Cards.
3. You can go the Grace Lutheran Church website and click on the donations button at the very bottom of the main page. On the donations page you can click on the donation box next to the description of WHS Homeless/Panther House. This is under Social Concerns. Enter the amount you would like to donate and your payment information.

Our goal is to provide 70 students with a Christmas package containing a WHS T-shirt and a variety of useful gift cards so they may have a very Merry Christmas. Thank you for spreading the joy!
