## TEEN DATING VIOLENCE AWARENESS MONTH

The month of February is Teen Dating Violence Awareness Month. The ARK participated in many different ways. Our Community Educators (Haylee Maddox and Zelma Perez) gave presentations in Brownwood Middle and High School. We completed Love Is Respect's #RespectWeek Challenges. Our shelter residents tie-dyed orange t-shirts to help show their support!

February was a big month for Community Education. From our first time in the schools since COVID-19 to being a guest speaker for a Howard Payne University Domestic Violence class. Our prevention hearts were overflowing.

We believe that prevention is a key factor in educating and protecting people from Intimate Partner Violence.

This picture is Haylee Maddox celebrating her first time teaching in Brownwood High School.
