## February / March 2025 Edition

# What will be new ?

This large space will be converted into (7) individual rooms, one common space, an individual shower, restrooms stalls, laundry facilities and counseling space.

Along with this new project we will have 24 hr staff whom specialized in mental health , drug & alcohol abuse and will be an asset to anyone we encounter to help get them back on their feet!

## How can you help?

Stay in prayer with us !  
Also stay tuned with this big  
adventure comes a cost.  
We are still waiting to get  
the quote back from the  
engineer but, we know that  
God is opening the doors for  
this mission.

# Good Bones Great Plans

Thank you to those who have reached out and supported our future endeavor! We have started the planning process to look at how can we improve the space we currently have to be able to do more. We are eager and excited that the vision that begin over 30 years ago is being re-born with a new vision! Please continue to pray with us as we can birth this plan to life. We see this space changing so many lives.

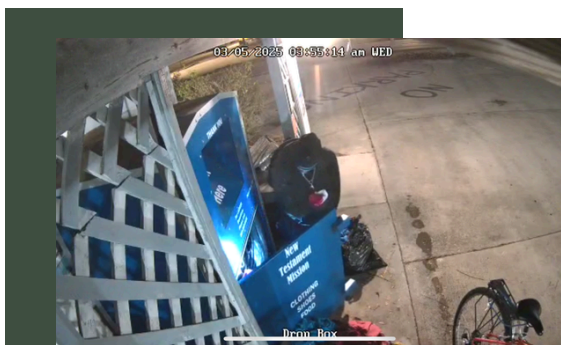

**Empowering  
those in need  
with the hope  
of the gospel**

# Spring Cleaning at the Mission

Grateful for Austin Maddox and his team who came and tackled pressure washing our buildings and roofs. It's been since 2016 since they were done! Sometimes in our line of business feeding is priority and maintenance gets put on the back burner ! Grateful we were able to get this done

Not everyday is easy – but,  
we look at everyone  
through the eyes of Jesus

At 3:30 am our sensors went off that someone was breaking into our donation box. Tough start to our day. We pour into people and some take advantage He was quickly taken care of and we pushed through the day to continue be here for the person who needs us.

Watch March 23, 2025  
@ 8pm ET episode 3

Now the show is out most of you heard Sebring got a hometown takeover. Well Ben & Erin visited the mission watch with us all the amazing things they did for our town !!

Chen Dental team made blankets for the mission. Incredibly grateful !
