

INTERNATIONAL OYSTER PROGRAM

Why?

Click [here](#) to read Why the International Oyster Program was founded.

Click [here](#) to listen to Why the International Oyster Program was founded.

Cindy is the Mother of a Year 11 and Year 12 student, and saw an opportunity to leverage her network to help our next generation access insights and tips to help them navigate their paths.

Cindy developed the International Oyster Program from this passion and continues to run group workshops and 1:1 student coaching to embed ownership and accountability for each students' own destiny.

Brought to you by Cindy Nicholson, CEO of Braintree.

As a qualified Executive Coach (ACC) with the [International Coach Federation](#), Cindy has been coaching executive leaders and company directors across the UK, Asia, Australia, and the USA since 2012.

She blends her qualifications, and global experience gained across established organisations and start up technology companies, with different workplace environments to bring a unique perspective to her clients, centrally themed around accountability both of self and of businesses.

Cindy designs programs and tools to assist her clients break through barriers and achieve their true potential.

Learn more about Cindy [here](#)

INTERNATIONAL OYSTER PROGRAM

Testimonials

Cindy has worked with hundreds of individuals to help them achieve their goals, break through the barriers that might be holding them back and enable them to reach their true potential.

Cindy will work with your son/daughter to help them unpack what is important to them as they set about choosing a career path. She will help them uncover their passion, their values and extend their imagination, giving them the boost of confidence they need to know they can achieve whatever they set their minds to do.

You can book for a free ½ hour consultation [here](#)

Testimonials

“Instrumental to my development and helped me make some really important life and career choices and helped me realize that I had to take some steps to realize my ambition and enable me to get some valuable career and life experience.”

I have achieved great results in the first 2 years including being promoted to a Vice President role running \$150m profit & loss business with global customers.

Cindy helped me make the move to Hong Kong and make the right choices that have made such a difference to my personal life and my career.”

Vice President, BT Global, New York, USA

Testimonials

Cindy helped me to increase my personal confidence and professional capability. She has a wealth of skills, experience and talent that helped me develop and focus on my personal and professional goals.

Each coaching session was energized by her passion to help, and this energy motivated me to break through barriers that were holding me back.

If you are thinking about coaching and transforming yourself, think no more and reach out to Cindy; whatever stage your career, or your personal ambitions are at.

CLAUDE KHOURY – CYBERSECURITY - SYDNEY

In this episode, Claude shares his insights and the importance of Cybersecurity skills in Australia. This is a career path that engages students of all characteristics as there are so many roles in this area.

Claude talks about understanding your purpose and the need to be thinking 'outside the box' in the world we live in.

He recommends jumping in, working hard, be a good listener and a good learner.

This is a career path that will continue to evolve and grow over decades into the future, and with a shortage of skills in this space in Australia, you are well positioned to make the world your oyster!

- What is your purpose?
- Think outside the box
- Many different roles in cybersecurity
- Attitude! Attitude! Attitude!
- Be a good listener
- Be a good learner

[Register Here](#)

SHANTI BERGGREN – IN HOUSE LAWYER

OPTUS - SYDNEY

Shanti is a senior lawyer in the Optus Legal Team.

Her daily practice has a great emphasis on the quasi legal aspect of being an in-house lawyer such as leadership, driving sound commercial outcomes and improving both the quality and efficient use of legal services.

This is underpinned by her open and rigorous analytical style and firm belief in the challenger culture of asking 'why' as a catalyst to find ways to continually improve.

"Hardworking and don't give up even if the planets don't align at the time

Looks for cultural fit in employees

Looks for additional attributes in a student's life

An undergraduate degree in Law opens up many other opportunities ."

[Register Here](#)

[Register Here](#)

RICK SLOVITT – PARTNER – BRAND MARKETING - SYDNEY

Rick Slovitt is an outstanding experienced marketing and branding specialist.

What's Rick got to show for all his insights driven communications and marketing experience across the USA, Australia, New Zealand and Asia Pacific? Well, a funny sounding accent for one thing.

Before Torch, Rick held senior roles at Chiat/Day and The NFL in New York, as well as Publicis in Australia and New Zealand. Rick brings his love of creativity to every Torch project.

Torch is a new breed of marketing consultancy, independently advising clients on the DNA of their brands, from positioning to innovation to cultural trends to communication and most things in between.

Prior to Torch, Rick held senior roles internationally in both advertising agencies and client-side marketing organizations.

Be Energetic

Be resilient

Keep your eye on the ball!

TAMINDA POOLE – SPECIALIST IN ENTERPRISE DIGITAL TRANSFORMATION

- Taminda is an experienced transformation specialist working in Tier 1 telecommunications and financial service enterprises throughout Australia and Asia.
- What differentiates Taminda from others in her field is identifying and managing the risks and consequences from business transformation. In all her work she maintains the mandate 'that it is not about the tech, it is always about the people and their intersection with the tech'.
- Major experience lies in leading cross-functional teams across internal and external stakeholders to bring about fundamental change and improvement in strategy, process and profitability – both as a leader and an expert consultant.

- Enjoy university & further education
- Be curious and passionate
- Don't focus on the product or service of an industry sector – they still have all the components of a business for you to explore

[Register Here](#)

[Register Here](#)

HELEN WALDRON – SPECIALIST IN ENTERPRISE DIGITAL TRANSFORMATION

- Helen Waldron is who we refer to as the 'Connector'.
- She brings together Australian businesses with Government to ensure their needs are translated for Government to understand, support and deliver on.
- Helen brings specialists to the marketplace through relationships and understanding how to meet needs.
- If you are interested in a career that offers a bridge between government and private sector, and an opportunity to engage with diverse industry sectors then you must connect with Helen.

- Enjoy university & further education
- Understand your passion and strengths
- Recognizing that confidence grows as you grow
- Others want you to succeed – seek out mentors

ARE YOU A SCHOOL OR UNIVERSITY?

Choosing subjects and courses can be incredibly daunting for students, especially when they don't know which career path they want to take.

Complimenting services available through schools and universities, we offer the ability to tap directly into professionals across many roles and industry sectors and bring you their insights based on questions asked by students exactly like you!

There is also an opportunity to explore deeper with one-to-one or one-to-many sessions with these professionals, and possibly secure work experience to find out if these choices are the right fit for you before committing to a journey of education.

Being part of the International Oyster Program community gives you access to other resources where students and employers are connected and opportunities are presented to you.

To join our monthly virtual coaching session click [here](#)

By subscribing to our program, your son or daughter will receive:

1. **FREE** Access to videos - available 24x7, professionals in given industry sectors and positions share their insights and give a glimpse of their typical day, the highs and lows, and what it takes to do the job.
2. Access to monthly virtual meetings - facilitated coaching sessions provide the opportunity to discuss, learn and network
3. Access to our community of partner services
4. Access to our [masterclasses](#) - using your designated code, you can access any of our masterclasses free of charge under your subscription.

ARE YOU A PARENT?

Your son or daughter is entering a critical phase of their education career.

Decisions need to be made that will determine their career path, yet these young adults have little experience on how to own and navigate this stage of their lives or how to ensure they are embracing every resource to help them make the right choices.

As a parent and qualified coach, I have taken my own children through this phase in their lives, helping them take ownership and accountability for their future.

By subscribing to our program, your son or daughter will receive:

1. **FREE** Access to videos - available 24x7, professionals in given industry sectors and positions share their insights and give a glimpse of their typical day, the highs and lows, and what it takes to do the job.
