

DARLING STAGING!

Okey Dokey Kiddles, here we go loopy loo.

We will do the Darling Staging on Thursday morning at Twisted Bit with Sue at 24221 Suttle Road in Veneta. It's on the same side of the road (north side) 4 driveways west from Darling Reunion. You'll pass Darling, pass Shady Rest, pass Carefree Farm and it's the next driveway on the same side of the road. Sue will be collecting a \$5 fee for staging in her field this year. If that's making a hardship for you just wait until after 1pm and staging will be over and you can come directly into Darling Reunion.

Sue will open her gate at 7:00am. There will be a gate blocking her driveway. **DO NOT PARK ALONG THE ROAD WAITING FOR HER TO OPEN. YOU'RE JUST MAKING MORE PROBLEMS FOR ME IF YOU DO.** You'll go up her driveway, make a huge loop. There will be 2 loops, one with tickets in hand and tickets in Darling will call. (We will have a list and be checking it twice.) The other loop will be people who are in separate cars but staying with friends who have tickets but don't have tickets of their own yet. They will have to wait until we get our prepaid campers in to see if we have room. You will have to show a photo ID to get into Darling this year. Have photo ID, Darling Tickets, Country Faire Tickets and exact change for parking ready!

Darling Reunion's gate will open at 10am as usual. This is how it will go, everyone will be sent in the order of arrival except for the RVs who will come directly into the Darling Reunion so that Buffalo Dan can get them parked. Only RVs with prepaid tickets will be allowed into the campground. If you don't have tickets yet and want to see if there is room you can enter after 2pm on Thursday. **EVERYONE** will leave Twisted Bit (Sue's) make a right hand turn at the end of her driveway (ya, I know, don't worry, you'll migrate back home) head west on Suttle until you get to Evers Rd. Make a right on Evers, go to Warthen Rd., make a right on Warthen Rd, Go to Falhaber Rd, make a right on Falhaber. Go to Suttle Rd. make a right on Suttle. Well boy howdy, you're back at the Darling Reunion! Come on in! It's a little over 3 miles. Don't turn left because we won't let you in if you're crossing traffic. The Country Fair and Sheriff don't want anyone crossing traffic. So please follow directions. Everyone will be given a sticker with a number, make sure that it is on the inside passenger window below the tinted part of the windshield so that we can see it to let you in at Darling. When you arrive at Darling come in and make three lines up the driveway so that we can get you in quickly. We don't want people stuck out on the road blocking traffic. **DO NOT BLOCK OR TURN AROUND IN THE NEIGHBOR'S DRIVEWAYS.** If you are new to Darlings or staging let the car behind you lead the way.

Have exact change to purchase your car passes if you want your car at your camp. We will do our overflow parking in Sue's field and she will charge \$25 per vehicle. Once again, plan to park your vehicle for the weekend and no in and out driving unless prior

arrangements are made. Do your shopping before hand. You will be able to leave on Sunday or Monday.
