

The Fall Axe Throwing League at Buck's Axe Throwing in Fremont will start Thursday, September 5th, at 7:00 pm!

The format is the same as last year – 4 person teams made up of men, women, youth – it doesn't matter. **ALL** skill levels are welcome – scores are handicapped. We are just looking to have FUN! Grab your friends and family to form teams of 4. If you don't have a team, no worries. We will put teams together with the people who join the league. We will also need subs so if you want to participate only occasionally, please sign up as a sub. Here are the details:

- League lasts for 8 weeks – we are usually done between 8:30 and 9:00 pm
- Cost is \$15 per week per person (a portion of which is used for prizes at the end of the 8 weeks)
- Subs do not pay the \$15 – the league member pays every week since the sub does not share in the prize winnings
- Those who do not already have an established handicap can stop in any time during business hours to throw axes for free in order to set their handicap prior to September 5th
- Email info@bucksaxethrowing.com to sign up or for any questions

Take advantage of this opportunity to have a great time, meet new people and enjoy an evening of axe throwing for only \$15! It's a great way to learn axe throwing and/or improve your skill!
