#### COMMANDER'S MESSAGE

April is voting month at the post everyone. Please try to take time to come to the post on **Thursday, April 15, 2021**. The voting polls will be open from 12:00 to 6:00pm to vote for the officer(s) of your choice. As a bonus, our ballots offer space for "write-in" candidates to allow you to nominate yourself or other candidates who didn't have a chance to make it to our past meetings. As a reminder for those writing-in candidates, those candidates must be members of our post and in good standing to be considered in the final ballot count.

After the final count is complete and so everyone understands to stay safe with the governor's pandemic order still in effect, shortly after our elections are final, the District 3 Commander will visit the post to install the incoming commander. In turn, the new commander will install the remaining newly elected officers to their elected positions.

The post usually puts out a light meal for those in attendance to celebrate this occasion. Unfortunately, the final installation date won't be available until later this month. The best news I can give you at this time is; keep an eye out on the post Facebook page for all updates on the installation.

Frank Desper, Post Commander
