COMMANDER'S MESSAGE

I'm proud to announce that the post volunteers served and delivered just under 200 Thanksgiving meals this year! Great job! Our post couldn't be prouder of its members and volunteers. During these months of volunteering and giving, the American Riders of Dover are collecting coats and non-perishable food items. If you happen to have any extra items mentioned above, please consider donating them? Your donations will be going to help our veterans and their families in need. The collection box is located in the Grille. It won't be long until Santa Claus comes to visit everyone, unfortunately due to the pandemic there will not be a Children's Christmas party this year. The post wants to wish you a very very Merry Christmas and a Happy New Year. Let's hope that next year will be a sight better than this one and may we all return to normal before it's over? This year's Mid-winter Conference in Rochester has been cancelled.

Frank Desper, Post Commander

ADJUTANT'S MESSAGE

The adjutant has moved to Georgia. Unfortunately, there will be no report from this desk until someone steps up to fill this position. On the bright side; the post will continue to process membership cards and respond to correspondence. We ask everyone to please be patient as we work thorough these huddles? Thank you.

PRESIDENT'S MESSAGE

Hello Ladies: Hope you all had a Happy Thanksgiving and looking forward to Christmas....as different as it may be. Christmas will be a little different for a lot of children this year so keep in mind that donations are still needed. Check with toy drop off centers and the fire departments or any place that is collecting toy for children. The Legion/Auxiliary have already planned for children so at least we are doing our part and Santa agreed to participate with us. Sorry, but there will not be a Kid's Party this year. Thank you to those who are donating for all the boxes we are putting out. It's for a good cause. We want to help the homeless stay warm. Don't forget to join us for Monday Meals. It's the first Monday of the month. Also, after the holidays, we are going to have a few or more classes to learn how to crochet. So, whether you have crocheted before or not and are interested, come join us. We will be posting the details. Classes will be held upstairs. All you will need is a G and H hook and 1 skein of Red Heart worsted weight yarn (your choice of color) not Sport or baby yarn. We should have some fun with this. If anyone has a preference in holding classes on a particular night, please let me know and we will try to accommodate everyone. We just can't interfere with other meetings. I will bring instructions and some samples of stitches. Hope your dues are paid, you have until the end of December. Meetings are the 2nd Thursday of the month, 6:00 pm. If you know of anyone who is ill of a member who passed away, please let us know so we can send cards to families. Thank you. Any questions/concerns, please call me. (603) 964-7007.

Judi Fountas, Unit President
