IMPORTANT MESSAGE FOR POST 6 MEMBERS

February is when we conduct and vote on the first round of nominations for post offices. We are in need of several positions to be filled. If you would like to campaign for any chair, please be at this meeting, If you cannot be in attendance, you can submit a letter of intent to be read on the floor. **THE POST NEEDS YOU!** This is the EXACT message from Commander Frank Desper that was printed in the February 2021 bulletin/mailer. Commander Frank Desper is out on a medical issue. WE PRAY FOR THE BEST. We are sending this out to stress the importance/need for our members to take time to come to the meeting (consider running for a Post office) and/or please send a letter of intent or we would really like you to just attend and for some that has never seen the facility, look it over. Did I mention that WE ARE NON-SMOKING?

As most know we have the Unit 6 Auxiliary, and they are also looking for members to assist as they have numerous projects, they work on they work on throughout the year. See the message below from Unit President Judi Fountas. The Squadron SAL are also looking for members to step up and help. This is a group that does many projects. Commander Hunt will be having message in this bulletin as well.

Once again. we cannot stress the urgency of making Post 6 work, a post that has been a staple for over a CENTURY. What will the next century look like if we are unable to serve the community in the LEGION way as always. For all that do not know, you can get the elevator at the back of the building for entry. If one desires, they can come into the Grille area (1st floor) and then take the elevator up after if some of you may have never seen the Grille area. Both of us will tell all you that we would love a turnout. Time will tell. Please remember the Adjutant's position has a STIPEND, not much but it helps. The following Past Commanders had full participation. We would love to see it again! Thanks for reading.

PRESIDENT'S MESSAGE

Not too much to share this month. Donations for the food pantry is very low, not enough to donate. The winter clothing donations have disappeared so right now we do not have anything to donate to the homeless shelters. I, for one, am very disappointed. Attendance at meetings has not improved, so it is hard to get programs started without volunteers. We are not in a good place as an Auxiliary and we do not want to lose our charter, but we need the help of all members who can volunteer a little time, or we may not have a choice. We are all aware of how prices have skyrocketed. This is evident with our Surf and Turf food purchases. We are not making ends meet to well. We are all feeling the high cost of everything these days. We may have to change the Surf and Turf activity. More information to come soon. Hope everyone is doing well during these times with Covid and soaring prices.

Please pray for our Commander Frank. He is fighting the fight and we all need him back.

Judi Fountas, Unit President
