JULY 2021

COMMANDER'S MESSAGE

It is my sad duty to announce that our flag day ceremony did not occur last month. Another date will be set for this event. Please do not forget, the post celebrates these and many ceremonies like it to kindle our heritage as veterans while supporting citizenship to the Community, State and Nation.

Come to the post on **Saturday, July 3, 2021** to watch the fireworks from the deck while enjoying a beverage.

Jumping ahead for those who like a good time and party. The post annual outing and Surf & Turf fundraiser will be hosted on **Saturday August 7, 2021**. The volunteers will be cooking and serving hot dogs, hamburgers, sausage and chicken. There will be plenty of side dishes (both) donated and prepared for the meal. The cost of the meal will remain at \$5.00 per plate and served from 12:00 to 3:00 or while the food lasts? A sign-up list to help us with this day will be posted in the Grille area. The Surf & Turf game will start at 3:00 and will offer all the great prizes you are used to seeing every year.

Jumping further ahead so you can mark your calendar, I was notified that this November (voting day) KENO will be placed back on the ballot for your vote. Please remember, the Post really needs your positive vote on this line item. The officers and I would like to inform you and your friends that KENO, although a lottery game, it is no different than the state lottery scratch ticket game we are already used too. With that said and if voted "in," the profits generated from this game will immensely help the post and our mission.

Please continue to inform your friends that KENO will not be a game deemed mandatory and be installed throughout the City. This game will only be offered to those businesses who want it. Please support the Post with this request.

Frank Desper, Post Commander

PRESIDENT'S MESSAGE

Hello Ladies: Hope you are all enjoying the summer weather. The Auxiliary will sponsor a collection of school supplies for local schools. There will be a box located at the Post. Thank you in advance for any items you donate. More information will be announced for any activities the Auxiliary would like to start. We want member input as well as your participation. Without members stepping up and helping, we will not be able to accomplish the programs or activities. It is a pleasure to see entertainment back for our enjoyment. Tell your friends and support the Grille and Surf and Turf games. Again, thank you to all who have helped with activities and contributing to functions. Stay safe and cool.

Judi Fountas, Unit President
