COMMANDER'S MESSAGE

This month is one of our busiest months of the year. With the Covid restrictions in place, there will not be a Veterans Day Ceremony. However, City Council along with the Central Veterans Council, we will be placing a ceremonial wreath at the monument in Goodwin park at 11:00 am. Everyone is encouraged to attend; I just have to remind everyone that social distancing has to be practiced. After the wreath has been placed, the post will offer a light meal for those attending.

The Post will be serving Thanksgiving Dinner. Social distancing seating will be available in the hall but, we need to express that "To Go" orders be considered. Our drivers will deliver up to a 5-mile radius of the post. A sign-up list will be in the Grille for both deliveries and for volunteers to help prepping and serving the meal. If you can't make it to the post to sign-up, please call us at (603) 436-7575 and ask the bartender to add your name and address to the list.

Our Post Adjutant will only be with us until the end of this month. At that time, we will need to have a replacement. If you would like to be a Post Officer please contact Jim Bailey or myself to start a short training program to assume the position. As an incentive, if you continue filling this duty, you will be offered a stipend for your services.

There is a collection box in the Grille to donate new or used coats for our homeless veterans and/ or their families who are experiencing a rough patch of road. Thank you in advance for helping our veterans and families.

Please, don't forget to wear a mask when entering the post? There has been several Covid outbreaks around our area so, we have to take that extra measure for your health and safety.

Frank Desper, Post Commander

VETERANS DAY

In 1954, President Eisenhower officially changed the name of the holiday from Armistice Day to Veterans Day. Every President has honored our military members in some fashion since George Washington who wisely stated: "The willingness with which our young people are likely to serve in any war, no matter how justified, shall be directly proportional to how they perceive the Veterans of earlier wars were treated and appreciated by their nation." - George Washington

Due to the Corona Virus, the Veterans Day Ceremony will only consist of placing a wreath at the park. The CVC will not be able to have speakers or welcome people to participate. So please honor our veterans in your own way. They should not be forgotten.

PRESIDENT'S MESSAGE

Hello Ladies: Well the holidays are coming and the cold weather as well. If you knit or crochet, think about making scarves, hats and gloves/mittens for our homeless men and women. (Or purchase an item). The Auxiliary will be collecting these items and delivering them to the police station to be given out by the police officers when they come in contact with our homeless population and to homeless shelters. There will be a box at the Post for collection. Thank you in advance. With Winter approaching, our Department President, Linda Dupont, is reminding us to reach out in helping our veterans, their families and our communities. Due to the virus, you all are aware we cannot visit our elderly in nursing homes. This is sad as visits are important to them. I urge everyone to send cards and letters to these residents. You can address it to "Any Resident". Believe me, it will mean so much to them. I was able to deliver Veteran Day Cards to a nursing home to be given to Veterans. Remember Unit meetings are held on the 2nd Thursday of the month at 6:00 pm. If you have any questions or concerns, please call me. (603) 964-7007.

Judi Fountas, Unit President
