**POST COMMANDER'S MESSAGE**

I hope everyone had a great Labor day weekend. At last month's meeting a motion was made to host a membership appreciation day. We elected to offer everyone who attends a free BBQ meal with salads and desserts. I encourage you to volunteer or to bring a dish to help make it a more enjoyable day. The day we selected is **Saturday, September 7, 2024**. The meal will be on a first come first served basis until it's gone. The volunteers will start serving at 12:00. This is the same day we will be conducting our super surf & turf fundraising game. Check out the new Post Facebook page to see a few pictures of the prizes being offered during the game.

I ask you to say a prayer for the first responders and military members who helped and died defended us during September 11, 2001 Islamic terrorist attack.

We also had discussion about bringing bands back for the winter. The primary concern was the lack of membership attendance to pay for the band. My thought is to hire the bands to play earlier in the day for those who have trouble driving at night. If anyone has any inputs to help increase the attendance or what will boost your moral while visiting the Post, please submit it to the Adjutant or myself? As the old saying goes; "it takes a village."

School has started for the most part and soon the leaves will be turning. Please be careful and watch for the children walking so they get home safely.

Veterans Day is right around the corner, please keep in mind those who gave all for our freedom? Followed up by Halloween. Now would be a good time to start thinking about getting your costumes ready... The ghouls and goblins will be out and about.

Our Post meetings are held on the third Thursday of each month starting at 6:00. Please consider attending the next post meeting?

Frank Desper, Post Commander

## POST ADJUTANT'S MESSAGE

Greetings Veterans!

The business of the post is chugging along steadily. The commander and I would like to see more participation in post meetings (each third Thursday of the month at 1800 hours in the hall). Each month decisions are being made for which your input and vote would be valuable. Also, there are post officer positions which need filling and committees which need forming.

Membership renewals for 2025 continue to trickle in. Get your 2025 dues in before the October billing and receive the coveted red, American Eagle stamp on your member card.

I have a special request for those who visit the grille. Cigarette butts are becoming a real problem in the areas of the deck, stairwell and parking lot. Please, **PLEASE**, dispose of your butts in appropriate containers rather than throwing them on the deck, stairwell or ground. No one should have to pick those up for you. Thank you in advance for your cooperation.

See you all at Super Surf n Turf!

Frank Capalare, Post 6 Adjutant
