

# WHO ARE WE?

Academy for Professional Qualifications is an Online Learning provider, in association with Cambridge Professional Academy, ALIANAz and Bangladesh Brand Forum (BBF).

Our purpose is to Unlock Potential Through Flexible Online Learning. We're a one-stop-shop for transforming your career.

We offer distance learning courses in Bangladesh, supported by highly experienced tutors, professional learning materials, a detailed study guide, an online electronic library and advanced online resources.

Our purpose is:  
To Unlock Potential Through Flexible Online Learning

## WHAT MAKES US DIFFERENT?

- **THE COMPLETE PACKAGE:** We offer distance learning, supported by highly experienced tutors, professional learning materials, a detailed study guide, an online electronic library and access to advanced online resources. We're a one-stop-shop for transforming your career.
- **ONE-TO-ONE TUTOR SUPPORT:** Our tutors are based in the UK and will provide 1-2-1 support. They all are hand-picked not just for their skills as educators and motivators, but also for their years of real-world experience working in their chosen sector.
- **THE REFINERY:** An advanced online learning management system. Students can access it from anywhere, at any time using a PC or smartphone. This can be used to manage your study plan, contacting the personal support tutor, chat with other students, access interactive e-learning modules, downloading learning resources, access to past assignments & exam questions and much more.
- **DO IT YOUR WAY:** Our mission is to make learning flexible, affordable, and accessible for all. That's why we make it easy to study at your own pace, set your own timetable. All our courses are delivered online with flexible start dates.
- **100% PASS GUARANTEE:** We're so confident in our tutors and courses that we give everyone our 100% Pass Guarantee. If you're fully committed, we'll keep supporting you until you pass your chosen qualification, at no extra cost.
