*"Where Little Hands Build Big Dreams!"*

### MAGIC FLUTE MONTESSORI SCHOOL

### WELCOME TO ALL PARENTS

Welcome to our school ! We are excited to have you as a part of our Montessori family. At MAGIC FLUTE MONTESSORI SCHOOL every child is important. Our Montessori program is academically rich and designed to promote your child's growth and development. Thank you for choosing MAGIC FLUTE MONTESSORI SCHOOL for your child.

A transition into any new environment can be challenging and cause anxiety for any child or adult. Our staff is trained to be alert and aware of your child's reaction to their new environment and will be sensitive to their feelings. After enrolling your child at MAGIC FLUTE MONTESSORI SCHOOL, your child may visit and be introduced to his/her new teacher. This will also give you an opportunity to get to know the teachers and staff involved in the care of your child prior to their first day.

Separation anxiety is common, and your child may resist being left at MAGIC FLUTE MONTESSORI SCHOOL in the beginning. However, after several days, drop-off becomes easier. We suggest that after you do the necessary signing in and walking your child to class, simply give your child a hug and assure them that you will return for them that afternoon to pick them up – Then leave. Prolonging your departure could cause more anxiety for your child. We encourage parents to call any time during the day to see how their child is adjusting or contact teachers through the APP BrightWheel. If needed, the director will be happy to provide additional suggestions for a smooth and enjoyable transition into the school environment for both you and your child.

This handbook will help you understand our school goals and policies. Our guidelines are all designed to make sure that each child receives the best education possible. Please look over the information given, so that you are familiar with our operation and guidelines. Also included with this packet is the paperwork for your child's file, including pick-up permission form, emergency medical consent form, child information form, fee agreement, etc. Please complete these and return them.

During Parent Orientation you will be taken on a tour to meet your child's teachers and get a general idea of a day at our MAGIC FLUTE MONTESSORI SCHOOL. You may also schedule a time to observe in the classroom. Please let us know of any area in which we can be of particular assistance to you. We are looking forward to getting to know you and your child and providing a rich learning environment where all our children develop to their full potential.

## NOTE TO CURRENT PARENTS:

It is hard to believe that another school year is coming to an end. We have truly enjoyed our interaction with your family. It has been a joy to see each child grow, learn and mature.

We are already excitedly anticipating another awesome year! We will be kicking off our summer curriculum and our summer activity schedule in June. This will include the possibility of a room change and/or teacher change. We have found that our major transition/promotion from one group to another is easiest at this time of year. If your child is going to be experiencing a room or teacher move, we will be notifying you in the next few days. Although transition can be difficult it is exciting to see them be promoted. We will also have extra staff on hand all day the first two or three days of the new schedule to help you with the transition. Your child is already looking forward to and anticipating their "graduation".

Each year you are required to fill out new paperwork for your child and sign-off on the Fee Agreement and the Parent Handbook. Please take the time to look this material over and fill out the paperwork needed. We have attached all the forms necessary to this handbook for your convenience.

Changes and additions you might notice in this year's handbook include the following:

- School name and owner change.
- Classroom set change.
- Policy change.
- School Uniform change.

These changes have been implemented to simplify our process and help us all be more efficient. The policy change is intended to minimize the challenges we have had with transition. We also had been advised by professionals in the field that our policy is necessary to limit our legal liability and is necessary for good business practices.

These changes were projected to the parent's and staff present at the meeting that was held on January 20. This gave us an opportunity to present our challenges and the reasoning behind these changes as well as receive feedback from our clients. The information and interaction exchanged was taken into consideration prior to the decision to enact these changes. Our staff has been alerted of these changes and trained to implement them as well as answer any general questions you might have.

By all means, if you have any challenges or questions concerning these changes feel free to contact me by phone at my direct extension (954) 779-0095. As always, my door is open, and you can always just talk to me when you are dropping off or picking up.

## MAGIC FLUTE MONTESSORI SCHOOL MISSION STATEMENT

The mission of MAGIC FLUTE MONTESSORI SCHOOL is to create an exceptional Montessori community for children, teachers, and families, built on mutual trust and respect. We are committed to offering the highest quality education, fostering a love of learning, promoting positive self-esteem, and nurturing cross-cultural understanding. Our commitment is to form lifelong learning experiences allowing every child to become independent, self-confident and inquisitive learners.

### VISION

Magic Flute Montessori School strives to provide both children and adults with abundant opportunities to grow and develop essential life skills. Our goal is to empower all students to reach their fullest potential, preparing them to be lifelong, creative learners with open minds.

### OUR PHILOSOPHY

The Montessori program is designed to meet the developmental needs of young children. It provides experiences that enrich and enhance each child's cognitive, language, social, emotional, physical, and creative development. Within the school's daily schedule, each child has opportunities to create, explore the environment, learn problem solving and personal interaction skills, and learn concepts through first-hand experiences. Children develop a positive self-concept through a balance of self- and teacher-facilitated activities. Opportunities for solitary play as well as group activities are provided. Staff serve as positive role models and provide care that is supportive, nurturing, warm and responsive to each child's individual needs. The adult's responsibility in a developmental program is to assist the child in growing to his or her fullest potential by recognizing each stage of development and fashioning a curriculum that will nurture and facilitate growth during that stage.

We respect parents as the primary and most important provider of care and nurturing, and we believe parents and teachers are partners in children's care and education.

**MAGIC FLUTE MONTESSORI SCHOOL** provides a structured, caring learning environment with hands-on activities for all children. The dedicated staff works hard to provide the best care and education for each child.

A-5

## WHAT IS "DEVELOPMENTALLY APPROPRIATE PRACTICE"?

### **WHAT?**

It just means simply that educators need to think first about what young children are like and then create an environment and experiences that are in tune with children's characteristics. A developmentally appropriate program like ours is age appropriate.

### **WHY?**

Early childhood is a time of life quite different from adulthood, and even from the later school years. Children 3-6 learn far better through direct interactive experiences than through just listening to someone talk. They learn extraordinary amounts through play and exploration.

### **HOW?**

To make the program a good place for every child, we gear our classroom environment and activities to this community and the families involved. We are eager to learn as much as we can about each child's family, cultural background, past experience and current circumstances; with this knowledge we work to create a program that fits the children and the families we serve.

### **SO WHAT?**

Research and experience tell us that to be effective with young children, teaching practices need to be "developmentally appropriate".

### **ADMISSION AND WITHDRAWAL:**

Parents wishing to enroll their children in the school are encouraged to set up an appointment with the school office to come and tour the school and meet the director and their children's Lead Teacher. (Tours are scheduled at the parent's convenience, however, due to rest time and other challenges in our schedule we encourage tours to be scheduled between 9:00 a.m. – 11:00 a.m. Monday through Friday). The purpose of the informal tour is to answer any questions you might have concerning our policies and procedures and make you aware of the flexible schedule of your child(ren)s average day. At this time, we will give you a copy of the parent's handbook and any forms necessary to enroll your child(ren) in the school. All children shall be considered continuously enrolled from the time of enrollment until they are formally withdrawn according to the procedure outlined in the section "VACATIONS, ABSENCES, AND WITHDRAWAL FROM THE SCHOOL" on page E-15.

### **GUARANTEED START DATE:**

MAGIC FLUTE MONTESSORI SCHOOL works on a "Guaranteed Start Date" rather than a "Waiting List". Upon deciding that MAGIC FLUTE MONTESSORI SCHOOL is the place for your child(ren), you will be asked to fill out a "Guaranteed Start Date Agreement" and pay a non-refundable deposit. This deposit consists of the \$400 registration fee, the \$100-350 bi-annual materials fee which are due each year January and August, and the first and last week's fees (fees through Friday of the first week in attendance and fees equal to one week's tuition at the current rate to be held for the last week your child(ren) attend or owe fees). At this time, you and the school will agree, upon the date your child(ren) will start. Prior to your first day you must bring your child's(ren's) enrollment packet(s) (one for each child) along with the following for verification: Birth certificate, immunization form, and medical evaluation records. Parents are required to notify the school prior to their child(ren) withdrawing including withdrawing from being on the guaranteed start list. For more information see the "VACATIONS, ABSENCES, AND WITHDRAWAL FROM THE SCHOOL" section on page E-15 for more details.

### **PAPERWORK, FORMS and ANNUAL RENEWAL:**

We are required by the state to have current and updated information on each child in our school. This is also for your safety. As mentioned above, we require all forms to be filled out on each child prior to their initial attendance at MAGIC FLUTE MONTESSORI SCHOOL. Also, each year in June, we will have you renew and refresh all your paperwork and all forms. There will be a deadline given for compliance to this requirement and a fine may be charged if the new paperwork is not turned in on time. Failure to renew and refresh paperwork does not constitute withdrawal from the program and fees will continue to accrue according to the newest published rates including all late payment convenience fees and all other fees due. Annual registration fees and annual material fees will also be added each year at this same time. If MAGIC FLUTE MONTESSORI SCHOOL is penalized or fined for incomplete information on one of our admissions forms or for failure to update/renew this information due to a parent's neglect, that fine will be passed on to the client responsible including an additional \$250 administration fee.

### **DROP-OFF:**

Parents must accompany their child(ren) into the MAGIC FLUTE MONTESSORI SCHOOL area every morning and clock their child(ren) in immediately after dropping their child(ren) off in the appropriate room. Children will not be permitted in the building prior to opening hours. New families will be given a code to use to clock each child in. The clock in/out system is located across from the office. The children are not allowed to come into the MAGIC FLUTE MONTESSORI SCHOOL area alone or to sign themselves in unless prior written permission has been given by the parent and approved by the Director. This is for their protection in case of a fire or other emergency. We require that all children have direct contact with a person upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior which may adversely affect the child or the group. If any of these things are determined, the child must go home immediately.

#### **PICK-UP:**

All children must be picked up and clocked out by an adult and/or person approved by the parent and the school. All children must be clocked out before being picked up from their classroom. Anyone, including all parents, who are to be allowed to pick the child up, **MUST** be listed on the Pick-up Permission form or be approved in writing by a parent or submitted in the APP. In an emergency, parents may call the school and give verbal approval of an alternate individual. However, this is strongly discouraged. The school reserves the right to not allow any individual onto MAGIC FLUTE MONTESSORI SCHOOL property for drop-off or pick-up if they have created a problem. Anyone not recognized by sight will be asked for a PICTURE ID. In the event anyone out of the ordinary is to pick-up the child, please alert the office prior to that time. This is in addition to them being on the Pick-up Permission form or approval as stated above. It is the parent's responsibility to notify the office and make changes on this form whenever necessary. This form is re-done annually.

#### **PARKING POLICY:**

MAGIC FLUTE MONTESSORI SCHOOL has a drop-off area by the doors to each building. Due to the limit of the number of vehicles that may be in this area, please park in one of the parking spaces if you anticipate you will be in the building longer than 5-10 minutes. We strongly urge you to turn your car off and **LOCK IT** when you come into drop-off or pick-up your child(ren). MAGIC FLUTE MONTESSORI SCHOOL is not responsible for items lost or stolen from cars or from the parking lot or facility.

#### **PICK-UP PERMISSION FORM:**

All persons authorized to pick a child up from the school must be listed on the PICK-UP PERMISSION FORM. To avoid confusion, it is the responsibility of the parent signing the child into our school to properly fill out all forms. In a custody situation the parent signing the child into our school takes full responsibility to ensure that this is in accordance with their specific court agreement, which must be attached to the enrollment forms if any limitation of rights is suggested by the PICK-UP PERMISSION FORM. If a parent who is not listed, or who believes the information given to us was inaccurate, contests the authorization details they must first offer proof that they are indeed the legal parent or guardian and have legal rights to pick the child up. We then will require lawyers for both sides to be contacted and both attorneys will be requested to give us documentation as to the individuals approved for pick-up. The school reserves the right to not allow any individual onto our property for drop-off or pick-up if they have created a problem.

#### **EMERGENCY MEDICAL CONSENT FORM:**

This form will give us your consent to call an ambulance or your child's doctor or dentist if he/she needs emergency care. Please list your child's doctor, dentist and the hospital you would prefer. Also, please list phone numbers, addresses, and additional emergency numbers of contacts. It is strongly suggested that all emergency contacts all be listed on your Pick-up Permission form. If your child has any allergies or is on any medications, please include this information on the form as well as filling out one of the food or nonfood allergy forms. All of these forms will be re-done annually. Immunization cards need to be presented on or before the first day the child attends the school. A photocopy of these will be kept on file. When your child receives additional immunizations, you are required to bring your immunization card back in for us to take a current photo copy of it so that we can up-date your file. Whenever any information on this card changes – it is your responsibility to notify us and up-date or re-do this form.

#### **INFORMATION CHANGE**

Parents are to notify the school of any change in home or work phone numbers and addresses. This is for your safety so that we may reach you in an emergency. The school requires that someone listed on the Pick-Up Permission form of each child be available within thirty (30) minutes notice to come and pick up a sick child or a child that MAGIC FLUTE MONTESSORI SCHOOL has determined needs to go home. It is required that all changes of phone numbers, places of employment, residence changes or changes in pick-up information be turned into the office IMMEDIATELY. Please give the Director written notice of the change as soon as possible.

**E-3**

### **IMMUNIZATION REQUIREMENTS:**

All children enrolled must have their immunization records up-to-date or provide an exemption affidavit. The child's immunization record must be provided by the parent and all information must be current. The parent shall also provide proof of this with a form signed by a health care provider. This form will state that the child has received all current, age-appropriate immunizations. Parent's wishing to take a religious exemption must contact the office to find out the proper procedure for providing an affidavit of such a religious opposition. If MAGIC FLUTE MONTESSORI SCHOOL is penalized or fined for non-compliance of immunization cards due to a parent's neglect, that fine will be passed on to the client responsible including an additional \$250 administration fee.

### **MEDICATION:**

All medication to be given to children must be in the original bottle with the instructions clearly printed on it as provided by the doctor's prescription or by the pharmaceutical company. All medicine including scripted and unscripted medications must be in an up-to-date bottle and not be outdated or past-dated. All prescription medication must have that child's name on the script. All non-prescription medicine must have a permanent sticker with the child's name and the date the medication was left at the school. A "Permission to give Medication" form needs to be filled out prior to the administration of any medication. All medicines must be personally handed to the teacher in charge at the time of arrival along with the "Permission to give Medication" form (Filled out). MAGIC FLUTE MONTESSORI SCHOOL reserves the right not to give medicines if the dosage is questionable or not according to the label. MAGIC FLUTE MONTESSORI SCHOOL reserves the right to request a doctor's consent via handwritten prescription for any non-prescription medications. A copy of the "Authorization to Give Medication" form (example on page Z-23) along with the medication bottle and any remaining medication will be given returned to the parent upon completion of the course of medication.

### **ALLERGIES:**

We must be aware of any food or other known allergies that affect your child. If your child has any known food allergies, you will need to fill out an "Allergy/Food Exemption Medical Statement" (form on page Z-21). This allows us to alert all of our staff to be on guard of their allergy. The Allergy/Food Exemption Statement must be turned into our office as soon as this allergy has been identified. This form must be updated annually. We also need to be aware of any Non-Food allergies that can affect your child. If your child has any Non-food allergies you will need to fill out a "Non-Food Allergy Medical Statement" (form on page Z-22) which must be turned in to our office as soon as this allergy has been identified. This form must be updated annually. You will also need to fill out a "Authorization to give Medication" form (Example on page Z-23) if your child requires an Epi-pen or other emergency treatment.

### **ILLNESS AND CONTINUED HEALTH:**

These guidelines are for the welfare of all of our children. In order to provide a safe and healthy we rely on our parents to monitor their children with these guidelines in mind. Outdoor play is essential to your child's development. We feel that if your child is too sick to play outdoors then they are too sick for group care. A child that is ill or has a temperature of 101 degrees or above should be kept at home. All children shall have direct contact with a staff member upon arrival for early detection of apparent illness, communicable disease, or unusual condition or behavior, see the Drop-Off section above. A child that is too ill to remain in the school shall be supervised and cared for until the child can be cared for elsewhere. The child will be sent home if he/she is running a temperature of over 101 degrees, if he/she is vomiting or has diarrhea, or if it is suspected that he/she has a contagious disease. In the event you are called to come pick up an ill child, you must pick your child up within 30 minutes, or overtime rates will apply. If a child needs to be sent home and their parents are unreachable, we will call the emergency contacts listed on the Pick-up Permission form. If no one is available by contact after 30 minutes the overtime rate will apply. The school reserves the right to request the child to see a physician or have a physician's note prior to returning. For further clarification refer to the F-Section of this manual for our full "First Aid/Medication Policy" and our "Guidelines: When A Child Can Return."

### ACCIDENT REPORTS:

Safety is a top priority of MAGIC FLUTE MONTESSORI SCHOOL. Yet, there are times when a child will have an accident/ incident between your child and another child. If the accident/incident requires "more than a hug and a kiss", our teachers will complete a report for you detailing what happened and the nature of the injuries. If any first aid is administered, the treatment will be described to you. A copy of this accident report, signed by the teacher in charge at the time of the accident, will be provided to you online through the APP and a copy filed with the Director's office. We ask that you sign the copy provided to you and return it to the Director's office to confirm that you were notified of your child's injury. This system is aimed at ensuring communication at all levels and can be a very good way to be certain little things are not forgotten in a hasty departure. If your child happens to be injured by another child, we ask you to please respect the child's privacy by not asking us to reveal the name of the child. It not only puts our staff in an awkward situation but could cause a confrontation between our families. We will handle any and all behavior problems in a professional and appropriate way.

### CHILDREN REQUIRING SPECIAL ACCOMMODATIONS:

MAGIC FLUTE MONTESSORI SCHOOL complies with the Americans with Disabilities Act (ADA) and other applicable regulations pertaining to providing services to individuals with disabilities. We desire to make special accommodations for children who require such accommodations, provided it is within our power and authority to do so. Accommodation can be a specific treatment prescribed by a professional or a parent, or a modification of equipment, or removal of physical barriers. The accommodation shall be recorded in the child's file. Whenever we deem it appropriate to the needs of the child to have a child with special needs in our school, the entire staff must follow the reasonable accommodations we have made for that child. Any questions about the accommodations of the child should be referred to the leadership staff.

### DISCIPLINE:

At MAGIC FLUTE MONTESSORI SCHOOL the staff are trained in using positive reinforcement as a means of discipline. Our goal is to find solutions and to provide the very best environment for your child. We have a detailed Discipline policy including an early intervention system which we call our Behavior Intervention Policy. These policies begin on page E-18.

### TOILET TRAINING

Toilet training is best accomplished with the cooperation of teachers, parents and children. Children learn toileting skills through consistent positive encouragement from adults and home and at the school. Toilet Training usually begins around 2 years of age. When a child shows an interest in toilet training, the parents and teachers should complete a Potty-Training Contract that describes how they will cooperate to encourage toilet training. This form is available from the director. This plan is commitment to work with the child in a consistent manner; it is not a timeline for completing toilet training. This contract will be kept on file. Each child will begin at a different time and progress at a different rate. The staff will provide documentation of your child's progress each day. The director and staff are available as a resource to answer any questions about your child's toilet training progress at MAGIC FLUTE MONTESSORI SCHOOL. Several complete changes of clothes should be kept on-school during this process.

### TOYS:

MAGIC FLUTE MONTESSORI SCHOOL has a wide variety of toys, games and other resources to offer children during school time. Preschool classes will have shown and tell related to the week's lesson. Personal toys are not permitted in the school, as they can cause disputes and can be broken or lost. The exception to this is show-and-tell or sleep-toys which should be labeled with the child's name. MAGIC FLUTE MONTESSORI SCHOOL is not responsible for stolen, lost or broken toys or clothing.

### CURRICULUM:

Children learn by doing. They learn through play, experimentation, exploration, and testing. Learning should be a joyful, natural experience. We have chosen a curriculum based on the developmental needs of the children each the room and to foster individual growth through opportunities for exploration. 90% of brain growth occurs from zero to 5 years old. Each class's lesson plans, and your child's class flexible schedule are posted on the parent's board in your child's room. We incorporate current trends in Early Childhood and School Age Education and then structure this curriculum to meet the needs of the majority of the children in the group.

Our curriculum, although it will vary depending on age, is guided by the following underlying principles:

- Children learn through dynamic investigation.
- Children instigate their own learning.
- Learning comes from open-ended experiences.
- Adults are facilitators of children's learning.

### INFANT CURRICULUM:

We will keep your child on his/her daily schedule as much as possible. During the day, we will do activities with your child to help them develop their social, emotional, cognitive, language and physical skills. These activities may include, playing with toys, art, pretending, enjoying stories and books, discovering sand and water, music, and exploring outdoors.

### DAILY SCHEDULE:

Although your child's schedule varies somewhat day to day, a typical flow of a day's activities is below.

**Activity Time:** Activities specific to the weekly theme are presented along with basic activities such as puzzles, table manipulatives, dramatic play, blocks, etc.

**Group Time:** Group times are child-schooled participative sessions. The planned group activities include reading, music, movement, finger plays, discussion, dramatization, games, and experience stories.

**Outdoor time:** The playground is an extension of the classroom. Children can participate in an activity of their own choosing. Inclement weather, special events, or celebrations will occasionally affect the scheduling of outdoor time.

**Snacks and Mealtime:** Staff sits with children while they are eating, encouraging and participating in quiet conversation.

**Rest Time:** Children are given the opportunity to nap or rest each day.

Specific activities vary based on age; all are posted weekly in each room.

Extra activities are for extra charge: private lessons – piano, singing, guitar, drums, Djing, tutoring, language, etc., group lessons – chess, piano, yoga, hip-hop, art, acting, singing etc.

### CLASS DIVISIONS AND CLASS SIZE:

We endeavor to have a challenging and appropriate atmosphere for children of all ages. Homeroom class divisions are based upon three issues. These are: the individual developmental needs of each child, state set student to teacher ratios, and the overall enrolment management plan of the school. Children not yet in school are generally divided into classes by age since this usually keeps them with children in their own developmental level and keeps our age-based student to teacher ratios easy to calculate. In most cases it is our target to have children together with the children with whom they will be attending Kindergarten.

### STUDENT TO TEACHER RATIOS:

Student to teacher ratios are based upon guidelines set by STATE law. The following chart shows the maximum ratios that we observe.

Age of children	Number of Students	Per teacher
Infants	4	1
Toddlers 12-30 months	6	1
2-Year-Olds	11	1
3-Year-Olds	15	1
4-Year-Olds	20	1
5-Year-Olds or older	25	1

In addition to the teacher to child ratios each group also has a group maximum. We meet or beat these ratios and minimums at all times.

### MIXED-AGE GROUPING

Our program encourages times for mix-age grouping of children to provide a rich learning environment that recognizes that all children are unique and develop at their own pace and according to their individual interests and abilities. In times of the day where mixed-age grouping is implemented, children who are at least one year apart in age are sometimes placed in the same classroom. Our teachers and staff are educated in mixed age grouping to help ensure it is implemented with the utmost focus on the child's development and safety. Mixed-age grouping is an effective tool in child development providing many benefits including:

- Older children learn to be helpful, patient and tolerant, while developing increased confidence in their own skills and abilities.
- Younger children have the opportunity to learn more advanced cognitive and socialization skills from the older children.
- Individual differences in development are better accommodated.
- Children are challenged to think about problems in a more creative and flexible way as they observe children of different ages approaching problems differently than they do.

### TRANSITION PLAN

MAGIC FLUTE MONTESSORI SCHOOL will create an individualized TRANSITION PLAN to help children are about to transition from one class to the next. This is to help the children become familiar with the new program, teachers and children. It also allows the new teachers to get to know the individual needs of each child prior to the transition of an entire class group or several children together. The plan allows flexibility in order for us to best meet the needs of each child. Each child's individual need is different therefore the TRANSITION PLAN may vary quite a bit from child to child. Your child's teacher or the director will provide more details about transitioning when your child will move to another classroom.

### SUMMER CAMP

A summer camp program is offered during the summer months for children of all ages. The camp is built around weekly themes. Activities include various art projects, music, water fun, sports, stories, cooking, theatre, chess, yoga, outdoor movies, and many more. A separate summer program fee is generally charged to help cover costs, and a summer camp T-shirt.

### OUR STAFF:

At MAGIC FLUTE MONTESSORI SCHOOL we strive to provide nurturing, quality care in a highly interactive learning environment. Our friendly qualified staff are an integral part of providing this environment. Our current staff has had

- A detailed interview and screening process.
- Approval by the state of STATE through a background analysis that cross references state and federal criminal records as well as child abuse reporting records to insure that each employee has a background that is clear.
- State CPR and first aid requirements fulfilled

We believe firmly in training and continued education for all our employees and staff. Each has qualified themselves to work with your children by attending specific training classes and often college level courses to learn about early education and the needs of children. We emphasize training and encourage all of our employees to exceed the state minimum number of clock hours of training required to be qualified to continue to work in an early education setting.

### STAFF AND CLIENT RELATIONSHIPS:

MAGIC FLUTE MONTESSORI SCHOOL considers it inappropriate for parents and clients to solicit our staff to work for them either in their business or homes. We are not legally or financially liable for our employees or any of their actions when they are off the clock or no longer employed by MAGIC FLUTE MONTESSORI SCHOOL. All employees have signed a statement saying that they will not engage in "care for hire" or any employment by or for any past or current client family of MAGIC FLUTE MONTESSORI SCHOOL while currently employed by MAGIC FLUTE MONTESSORI SCHOOL or for eighteen (18) months after their last day of employment. An employee who violates this policy has violated their employment agreement and is subject to possible termination. It is inappropriate for a client or parent to solicit any employee for any type of work. Clients who violate this policy may be subject to termination of services.

### WRITTEN COMMUNICATION:

The success of our program is based on establishing a partnership between our parents and our staff. Open and frequent communication will help your child have a positive early learning experience. We will endeavor to keep you informed concerning your child's day and overall development through several written means.

- Monthly parent newsletters to keep you informed as to the overall program.
- Parent Board – updated with current information about MAGIC FLUTE MONTESSORI SCHOOL and curriculum
- Daily written communication in the form of "Daily Report" forms, "Incident/ouch" forms, and classroom memos will be placed in the child's "cubby" from time to time.
- Parent/Teacher meetings twice each year
- Parents always have the option of requesting specific parent/teacher interaction to aid in the child's development.

### VERBAL COMMUNICATION:

We will endeavor to be communicative during drop-off and pick-up times. However, this is not a good time for extended conversations since the staff members/teachers have responsibilities for all of the children in the group. Furthermore, the person caring for your child at the pick-up time may not be the individual who has spent the majority of the day with your child. This is due to the fact that many children spend 10 hours a day at the school and most of our employees only work 6-8 hours. Since children learn best in the morning, we schedule the teachers who are responsible for the majority of the classroom development for the earlier hours and the majority of the day. We suggest that you go to your child's "lead" or "primary" teacher to obtain detailed information on your child's general growth and development. You can call to see how your child's day is going or to speak to your child's teacher for more detailed conversation. The best time to call and speak to your child's teacher is during naptime. There is always a member of management available for you to talk to in person or on the phone. You may also use the Payment/Suggestion box to leave information for Management, or you can e-mail us through our web school at [www.MagicFluteMontessori.com](http://www.MagicFluteMontessori.com)

### **PARENTAL INVOLVEMENT:**

We encourage all parents and or guardians to be involved in the activities. We believe that parental participation is key to any successful childcare program. Children should be raised by parents. At MAGIC FLUTE MONTESSORI SCHOOL, we strive to fill the gap created during early separation and educational opportunities and when parents are not available. We welcome parental visits. We have an open-door policy that allows parents access to the school during operating hours. We have enclosed a sample list of some of the opportunities for involvement in our school. Parents are in no way limited to the involvement listed below. Any parent wishing to be involved in another area is strongly encouraged to contact the MAGIC FLUTE MONTESSORI SCHOOL office with their suggestion.

1. Parent Meetings (Usually 2-3 times per year)
2. Fall Open House
3. 2 individual conferences/year
4. Programs and Special activities, such as the Christmas Program
5. Special parent's involvement activities such as THANKSGIVING FEAST
6. Party Day Volunteer
7. Come and eat lunch with your child.
8. Classroom Volunteer
9. Send special treats for snack or meals (please notify the teacher a day or two in advance)
10. Help with school Fund Raiser
11. Participation in a parent's group
12. Reverse Field trips (When we bring a "field trip" type activity to our property)

We also expect parental involvement in discipline and behavior intervention as outlined in these policies.

### **POLICY FOR PARENTS WHO CANNOT PARTICIPATE IN SPECIAL EVENTS:**

In the event that a parent feels like they would like to be more involved in the school but cannot be due to their work schedule, or due to other conflicts, we will help them find a project or area which they can do on their own time. A member of the leadership staff will meet with the parent to find their area of interest. We will offer suggestions to them based on their interests and time. For example, if the parent likes to sew, we may offer to have them make doll clothes or repair mat sheets.

### **CHILDREN'S BIRTHDAYS**

Birthdays are special days for children. If you wish to celebrate your child's birthday at MAGIC FLUTE MONTESSORI SCHOOL, please make early arrangements with your child's teacher. Hard or chewy candy and balloons are not permitted because they pose a choking risk. (See "Bringing Food From Home" on the following page for more specifics concerning food snacks brought for parties or to celebrate a child's birthday), animators are available for extra charge.

### **VISITING THE SCHOOL:**

You are welcome to visit your child at the school at any time. We do ask that you check in with the office or sign-in desk before going to your child's room. It is the responsibility of each employee to make sure any visitor for a child or employee has checked in with the office. If you are coming to eat lunch with your child, please let us know in advance. Persons not listed on the "Pick-Up Permission" form, will not be allowed to visit your child. In a custody situation, please note that the same procedure will be followed as listed in the Pick-Up section. Parents are encouraged to pre-arrange opportunities to share lunch with their child or visit the class. Extended family members such as grandparents and aunts are also welcome to visit in certain pre-arranged situations. The custody challenges of our current society demand that we follow strict guidelines in this regard. Feel free to contact a member of the management team if you wish to set up a "visit" from an extended family member.

The safety of the children is our first concern. Although we have an open-door policy and welcome parents to visit their children, we also have a commitment to the parents of the other children in the program. Since we cannot attest to the background of anyone that has not gone through our screening process, we also cannot allow parents to spend extended periods of time in our facility without requiring them to fulfill certain screening and training requirements. These are set by state law and our policies. Any individual who does not submit to our safety policies concerning "Visitors" and "Volunteers" must be considered an intruder and steps will be taken according to the "Intruder" portion of our "Safety and Evacuation" policies.

### MEALS AND SNACKS:

Our meal and snack service consists of a breakfast, morning snack, a hot lunch, and a PM snack. All food served will be nutritious and healthy. ### FOOD FOR INFANTS AND CRAWLERS:

Parents must provide food/ formula/ liquid/ milk for children in the Infant and Crawler rooms. The Infant and Crawler rooms are equipped with crock pots and refrigerators. All bottles are required to have a sticker with the child's name and the date the bottle was made. Do not bring open baby food jars - Licensing requirements restrict us from serving prepared baby food from previously opened jars.

E-12

Any unused baby food will be sent home or thrown away each evening. Breast milk must be handled in a manner consistent with universal precautions. Please clearly identify all breast milk.

#### **BRINGING FOOD FROM HOME:**

Breakfast and lunch should not be brought from home without prior approval. The school will provide these meals for the children. To ensure that the children are eating safe food, the following guidelines will be met. 1) Food may only be brought from home if a specific need warrants it and arrangements have been made in advance with the management. 2) This food is considered a supplement to what we serve and should meet nutritional guidelines. 3) Perishable food brought from home should be contained so as to avoid contamination. 4) Prepackaged snacks may be brought from home for birthdays and parties that do not meet nutritional guidelines. (Please notify the child's teacher prior to bringing special treats.)

#### **PORTRAITS AND PICTURES:**

We offer school pictures two times a year, in the spring and fall. The fall photos usually include two sittings per child and should be delivered in time for use as holiday gifts. The spring portraits include one sitting and a complete class portrait. You will receive proofs before purchasing. In addition, we may take pictures of the children playing or for use on their cubbies or for use with a project or we may need pictures of children for promotional use. There is a "Photo Release form" (page Z-14) with your paperwork giving us permission to take your child's picture or include them in short video footage.

#### **REGISTRATION AND MATERIALS FEES:**

As stated in the *Guaranteed Start Date* section of this policy, there is a registration fee and **materials fee** that are due prior to the child's first day at MAGIC FLUTE MONTESSORI SCHOOL. These fees are due upon initial enrollment annually each June and January. These fees shall suffice for that "School Year's" materials fee provided the child remains continuously enrolled in the program. Children who pull out of the program for a specified or un-specified length of time will be required to pay a re-registration fee as well as an additional materials fee upon returning. The exception to this will be children who physically pull out of the program but whose parents continue to pay their full weekly fees in order to retain the spot in our program. Children who attend in a "Drop In" fashion who pay the "Drop In" rate will be considered as continuously enrolled for that school year and will only be required to pay one registration and one material fee provided, they continue to fit the definition of this program.

#### **WEEKLY TUITION FEES:**

It is our philosophy that clients are paying for the spot their child will take in our school. This is not based upon attendance but rather on a set weekly or monthly fee that is due regardless of the attendance habits of the child who has the spot. Our fee structure is based upon a weekly fee that is set by the contract which is signed by the parent's upon enrolling the child(ren) in the program. These contracts may be adjusted from time to time as needed with a two weeks' notice of intent to change services. This to be allowed at the discretion of the management based on space availability. Contracts are re-done annually prior to the first of June. Since the weekly set fees remain the same, no bill will be given to remind you of these fees. A monthly statement of activity will be sent out usually prior to the 15<sup>th</sup> of each month. Add on fees may occur such as in the case of School aged children who are in need of additional services due to an irregularity in the school schedule such as an early dismissal, schools out day or school break. In the case of summer break, a new contract will be entered into by the parent's specifying the charges for this period.

#### **PAYMENT POLICIES AND PROCEDURES:**

Weekly fees are due in advance on Monday biweekly or 1<sup>st</sup> of the month if monthly package. A late payment fee of \$50.00 will be imposed if the account remains unpaid by the close of business on Tuesday. An additional \$5.00 per day maintenance and collection fee will be applied for each day the account is not settled. Failure to make payment within the prescribed time may result in the immediate termination of services.

### STATE PAID TUITION CLIENTS:

MAGIC FLUTE MONTESSORI SCHOOL is authorized to receive payments from ELC/ STEP UP and other Federal/State daycare assistance programs. If you qualify for free or reduced meals at a public school, you might be eligible to receive help through ELC. Our participation in this program in no way limits our freedom or right to set and enforce the policies listed in this handbook. Clients wishing to use ELC assistance must make these arrangements on their own and list us as their ELC Childcare provider. You may enroll in the program as a ELC client once the office has received a letter of authorization from ELC or a phone call from the Des case worker, establishing your eligibility in our program. Clients wishing to transfer from a private pay client to a ELC client must come to the office and fill out a ELC Start Agreement. The annual registration fee and material fee is generally the responsibility of the client and not that of ELC. All ELC clients are also required to pay the last weeks fees in advance. A payment plan may be arranged to help facilitate collection of this fee at the discretion of the director.

MAGIC FLUTE MONTESSORI SCHOOL also requires that all ELC clients pay for any absence above 2 per month. ELC clients will be allowed to be absent for one vacation week each year (September through August) without being charged the weekly fee provided that it is pre-approved through the office at least one week prior. ELC clients may also be required to pay the difference between our private pay rates and the rates that ELC has established. Refer to the ELC Start Agreement for clarification concerning these issues.

ELC clients may also have a daily co-payment that is set by ELC. This is based upon family income. MAGIC FLUTE MONTESSORI SCHOOL requires that all ELC co-payments be made weekly on Monday in advance of service. MAGIC FLUTE MONTESSORI SCHOOL does the book keeping on ELC accounts once per month after the service has occurred. All PAYMENT POLICIES AND PROCEDURES listed above for self billed clients will also apply to ELC clients. It is the responsibility of each ELC Client to insure that they have no balance when the previous months fees and co-payments are added on the account. Failure to do so will result in a late payment fee. Failure to make co-payment amounts will void your contract with ELC whether you stay at MAGIC FLUTE MONTESSORI SCHOOL or move on to another school.

Failure to notify the school will cause all fees to continue until written notification is given. When notification is finally given, two additional weeks will be added. This handbook includes a form to use when giving a two-week written notice of leaving the school (page Z-27). The school reserves the right to require the dis-enrollment of a child according to our "Discipline Policy" and or the "Behavior Intervention Policy". The school also reserves the right to require the dis-enrollment of any child whose parent and or guardian has become a problem at the school or who has developed and un-cooperative, aggressive, dissatisfied, or angry demeanor towards the school, its policies or its staff.

#### **QUIET TIME:**

It is our philosophy that children under 5 years of age need adequate quiet time and or rest, as a part of their daily routine. Since all the children are constantly engaged in stimulating activity, we require that everyone rest on mats after lunch. Realizing each child's rest needs are different, we try to offer alternative ways of resting by providing soft music, stories, etc. for those who choose not to sleep. Infants' individual schedules will determine when they nap. According to "American Baby" the following chart is a guideline as to the sleep needs of children under 15 years of age:

E-15

Age	Suggested Hours of Sleep	Number of Naps Suggested
One Month	15.50 hours	3
Three Months	15.00 hours	3
Six Months	14.25 hours	2
Nine Months	14.00 hours	2
One Year	13.75 hours	2
Eighteen Months	13.50 hours	1
Two Years	13.00 hours	1
Three Years	12.00 hours	1
Four Years	11.50 hours	0-1
Five to Nine Years	10-11 hours	0
Ten to Fifteen Years	9-10 hours	0

We believe that children need a balance of activities that include large motor and active play as well as structured quiet time. Our program includes a quiet time for all children Kindergarten and younger. All children from 1 year of age through pre-K will receive a quiet time each day for a specified length of time. This will be established by their flexible schedule posted in that respective classroom.

#### **CHILD ABUSE REPORTING POLICY:**

The State of STATE requires that MAGIC FLUTE MONTESSORI SCHOOL and all members of childcare institutions be on the lookout for, and report to the State and appropriate authorities any and all suspected cases of abuse to a child.

At MAGIC FLUTE MONTESSORI SCHOOL our school and staff are mandatory reporters of Child Abuse. All incidents or suspected incidents will be turned over directly to the Child Protective Services for investigation. We are not allowed to do our own investigation and are required by law to report anything of a suspicious nature. It is advised that clients make the staff aware of any lingering bruising or other visible injury to minimize suspicion of possible child abuse or endangerment.

The following steps are to be taken if a staff member is suspected of child abuse:

- A staff member who has a situation or investigation pending should immediately notify the Director or most senior leadership staff member in the building.
- The person who suspects abuse should bring it to the attention of the Director or most senior leadership staff member in the building.
- The supervisor will check on the complaint and if they agree that there may be abuse, the supervisor will report the incident to Child Protective Services and our State licensing authority.
- We will then follow their advice regarding whether or not to suspend the staff member

If a staff member is founded in a case of child abuse, we will take the following steps:

- We will allow the staff member to appeal the decision
- The Director or an appointed member of the leadership staff will meet with the individual to go over the incident and form an opinion as to its validity and/or consequences to the School and the individual.

E-16

## MAGIC FLUTE MONTESSORI SCHOOL

*"Where Little Hands Build Big Dreams!"*

- Based on the advice of our licensing agent, we will either suspend the staff member or allow them to continue their job until the appeal is completed.
- The staff member will meet with the Director or an assigned member of the leadership staff during this time and steps will be taken to ensure that there won't be any problems.

If after the appeal the decision is still founded, we will take one of the following steps based on the advice of our licensing agent:

- The staff member will be terminated from their position at the School, or
- We will inform the parents that we have a staff member who has a founded child abuse on record. We will also let the parents know what the charge was.

### TRANSPORTATION POLICY:

Parents are responsible for their child's transportation to the school and for arranging their own carpools. MAGIC FLUTE MONTESSORI SCHOOL will provide transportation for school aged children to and from school at the locations that this service is offered. The school complies with all State laws that pertain to motor vehicles as well as transporting children who are enrolled in a licensed child care school. The transportation policy in its entirety is found in section K of this Handbook. Parents will also need to fill out the form on Page Z-13. This form should be re-done annually.

### DISCIPLINE POLICY

We believe that children need limits in order to feel secure about themselves and their environment. The purpose of discipline is to help children learn acceptable behavior and develop self-control. The basis for our Discipline Policy is an organized classroom and prepared staff members. At MAGIC FLUTE MONTESSORI SCHOOL we strive to develop a positive relationship between the teacher and the child. We also believe that if an interesting and challenging program is offered to the child, then discipline problems are at a minimum. If inappropriate behavior does occur, we begin with a positive approach.

According to licensing rules for childcare schools in the state of FLORIDA:

Rule 1240-4-6-.09, (2) Behavior Management and Guidance. **Florida Administrative Code Rule 65C-22.001(4) – Behavior Management and Guidance.**

- A. Attention spans and skills of children shall be considered so that caregivers do not require behavior of children which is developmentally inappropriate.
- B. Discipline shall be reasonable, appropriate, and in terms the children can understand.
- C. Praise and encouragement of good behavior shall be used instead of focusing upon unacceptable behavior only.
- D. Punishment that is shaming, humiliating, frightening, verbally abusive, or injurious to children shall not be used.
- E. Punishment shall not be related to food, rest or toileting.
- F. Spanking or any other type of corporal punishment **is prohibited**. ("Corporal punishment" is the infliction of bodily pain as a penalty for behavior of which the punisher disapproves.)

The following is considered unacceptable behavior:

- o Abusive, or inappropriate language
- o Arguing with team members or other children
- o Lack of Cooperation
- o Behavior determined by the director to be unacceptable.
- o Hurting themselves or others, such as hitting, biting, spitting, kicking, and pulling hair

The teacher has these prime responsibilities when dealing with inappropriate behavior:

- 1) **Redirection - Encourage child's good behavior and/or redirect his or her activity.**
- 2) **"Time out" or "think time" within their area**
  - A) If a problem still exists, the child is then removed from the situation
  - B) One minute per year of age, no more than three minutes after the child has regained control or composure.
  - C) "Time out" or "think time" shall be defined as an area away from the group or activity yet within their area.
  - D) The child will be allowed to return to the group as soon as possible.

  - B) Behavior Intervention Meeting - During this time the parent or guardian, the lead teacher and a member of the leadership team will meet in an attempt to determine if the child is capable of drastically changing his/her behavior to allow re entry into the program. This is the mandatory behavior intervention meeting described in the Behavior Intervention Policy.
  - C) Fees will still be paid for this week to retain the child's space in the MAGIC FLUTE MONTESSORI SCHOOL program.

  - A) When the severity of a problem is great enough that it could endanger the safety of the child(ren)'s welfare
  - B) Termination may be effective immediately after consulting the most senior Leadership Team member present
  - C) The parent or guardian will be notified.
  - D) The School considers this to be a drastic measure and would not resort to such unless the child's behavior significantly and directly threatens the physical or mental health, safety or well-being of one or more of the other children or team members and, that threat cannot be eliminated.

In addition to the above, the school will use three methods to track behavior and communicate with parents.

- a. Daily Reports – a parent/school communication format that does not count as a written behavior report. If the teacher deems necessary, a copy will be kept on file.
- b. Observation Form – an inner school documentation of observed inappropriate or challenging behavior. These may be filled out at any time by any school team member and are used solely to track behavior patterns. These are to be turned in daily to the lead teacher over the student and then to the leadership team for filing.

- c. The "Behavior" Report – These are the "Incident Forms" and are duplicate. The original is filed in the child's file and the copy is given to the parent. These are pre-approved by a leadership team member. Each "Behavior" Report counts as one of the three that would result in suspension.

MAGIC FLUTE MONTESSORI SCHOOL expects parental involvement and cooperation in all aspects of discipline. Failure to comply can warrant termination. We reserve the right to discontinue work with any child/parent whose needs we cannot meet. The key to effective discipline is consistency. We try to be as consistent as possible in all areas. We provide the child with a warm and loving atmosphere in which to grow and learn.

### **BEHAVIOR INTERVENTION POLICY**

At MAGIC FLUTE MONTESSORI SCHOOL, our vision is to provide the best education to the most children possible. We strive to help every child be successful and to achieve their highest potential. We implement the Behavior Intervention Policy when needed to ensure this happens.

The basis for our Discipline Policy is an organized classroom and prepared staff members. At MAGIC FLUTE MONTESSORI SCHOOL we strive to develop a positive relationship between the teacher and the child. We also believe that if an interesting and challenging program is offered to the child, then discipline problems are at a minimum. If inappropriate behavior does occur, we begin with a positive approach.

A Behavior Intervention Meeting may be called in three different manners:

1. The primary teacher or a member of the Leadership Team may call for a Behavior Intervention Meeting at any time prior to the third disciplinary action as they deem necessary.
2. Either parent may call for a Behavior Intervention Meeting at any time prior to the third disciplinary action as they deem necessary.
3. A Behavior Intervention Meeting is mandatory after the third Discipline Note.

Under the first two scenarios, our first goal will be to determine and identify the behavioral difficulties that the child is having. The child's primary teacher will document the circumstances surrounding the behavior and the current actions that are being taken to correct this. Parents will then be asked to provide information concerning any changes in the home and will give input if they have noticed this behavior and what actions they are currently taking to correct it. A plan of action will then be discussed and agreed upon by all members present. If problems continue, an additional intervention will be scheduled.

The approach will vary slightly in the case that a mandatory Behavior Intervention Meeting has been called after the third discipline note. Our first goal will be to determine if our program is appropriate for the needs of the child. Services will be terminated if it is determined that we cannot meet the child's needs in our program. We will follow the steps listed above if we determine our program is appropriate for the child's special needs.

In addition to the above, the school will use three methods to track behavior and communicate with parents.

- i. Daily Reports – a parent/school communication format that does not count as a written behavior report. If the teacher deems necessary, a copy will be kept on file.
- ii. Observation Form – an inner school documentation of observed inappropriate or challenging behavior. These may be filled out at any time by any school team member and are used solely to track behavior patterns. These are to be turned in daily to the lead teacher over the student and then to the leadership team for filing.
- iii. The "Behavior" Report – These are the "Incident Forms" and are duplicate. The original is filed in the child's file and the copy is given to the parent. These are pre-approved by a leadership team member. Each "Behavior" Report counts as one of the three that would result in suspension.

MAGIC FLUTE MONTESSORI SCHOOL expects parental involvement and cooperation in all aspects of discipline. Failure to comply can warrant termination. We reserve the right to discontinue work with any child/parent whose needs cannot be met.

The Behavior Intervention Policy's purpose is to establish procedures for the parents, lead teacher, and a member of the leadership team to utilize when planning to meet the needs of the child(ren) with unacceptable or inappropriate behavior. A parent, the child's lead teacher and a member of the leadership team will be in attendance at a Behavior Intervention Meeting and agree in advance on the time and date.

### **BITING POLICY**

Biting is a common and a developmentally appropriate behavior in young children, especially from 9-30 months. Generally, children over the age of 3 have developed more appropriate ways to communicate. Experts in the field of child development report that biting occurs chiefly as a result of a child's incapacity to communicate. Children may become upset by a new experience and may bite as a response. While biting during the toddler years is developmentally appropriate, it is upsetting to parents and caregivers when it occurs, the goal of our policy is to replace the child's undesirable behavior with more effective way of communication and to ensure the health and safety of everyone in our program. The following is a plan of our pre-emptive strategies:

- for infants and toddlers, positive teething activities will be provided to comfort and soothe their gums.
- When children bite out of frustration or anger, behavior will be redirected to some other activity and/or will be shown an alternate way to communicate what they want. We will encourage the use of language to express wants and needs.
- Parents will be notified if their child is bitten at school. However, in order to protect the privacy of all our families, parents will not be informed of the biter.
- If a child bites frequently, staff will utilize a more intensive approach which involves carefully observing the child to determine precipitating events and maintaining a log to help track the behavior. Conferences with parents may also be utilized to discuss the child's actions at home, search for outside resources, etc.
- Biting incidents will be communicated to the parents of the biter to ensure staff and parents are working together to understand and prevent this behavior.

In order to ensure the safety of all children, if all attempts to stop chronic biting fail, we reserve the right to remove the biting child from the program.

2. Assess the area to determine whether the wound will require stitches, or a bandage.
3. If stitches are required, first notify the on-site supervisor and then the child's parents. Clean only the area around the wound.
4. If stitches are not required, thoroughly clean and disinfect the wound using hydrogen peroxide.

This container is to be emptied into a waste receptacle outside the building as needed or at least twice every 24 hours. Contaminated clothing that is to be sent home must be double sealed in a plastic bag and then put in the container for soiled clothing.

#### Injury w/o Blood, Head Injury

**Head Lice**

1. Confirm with the on-site supervisor that nits or lice are present. Quarantine the child immediately.
2. Follow procedures on sending a child home. Notify the pick-up person that the child must be properly treated before returning.
3. All sheets, blankets, and sleep toys in the affected room must be bagged and washed. Suggest to the parents that they do this as well.
4. A complete head lice check must take place in the affected room, as well as in the rooms of any siblings.
5. The child must be checked for re-entry into the School.
6. It is the parent's responsibility to present the child to a Leadership Team member or the First Aid/Meds person for inspection. Failure to do so will result in overtime charges to be in effect from the time the child is clocked in until they are picked up by a parent, or the parent has been notified and the child cleared by the appropriate person.

**Contagious Disease**

1. Parents are required to notify the School when a child contracts a contagious disease. These include, but may not be limited to, chicken pox, conjunctivitis, 5<sup>th</sup> disease, impetigo, measles, scarlet fever, ringworm, etc.
2. In the case that a child contracts a contagious disease, a health alert will be posted on the sign-in counter and by the door of the affected room.
3. This alert will include a brief description of the disease, date that the School was notified, and the date that it was posted.
4. The child may return to the School as stated by the health alert.

### MEDICATIONS:

#### Receiving and Storing Medication

1. An "Authorization to Give Medication" form, filled out in its entirety, must accompany all medication received by the School
2. All medication must be in its original bottle or container.
3. Medication mixed in a bottle with formula or in any other manner is not to be accepted.
4. All non-prescription medication must be labeled with the child's first and last name and the date that it was received.
5. Non-prescription medication requiring administration for longer than one week must have a doctor's note approving the length of use. That note may be good for a maximum of six months.
6. Long term prescription medication must have an "Authorization to Give Medication" form. This form must be updated every 30 days. We must have a doctor's note for all prescription medications, with the medication not to exceed six months. The prescription bottle may fulfill this requirement, as long as it is current.

#### Administering Medications

When medication is authorized to be administered, five "rights" must always be observed, and are as follows:

1. Right Patient – Question the teacher and child to confirm that you have the correct child.
- 2-3. Right Drug and Right Dosage – Compare the medication bottle to the "Authorization to Give Medication" form to confirm proper administration and to insure that the medication has not expired. Do not exceed the dosage on the bottle unless a doctor's note is present verifying the dosage amount.
4. Right Time – Refer to the "Authorization to Give Medication" form for the time to be given. Medication may be given one-half hour before or after the stated time.
5. Right Route – When medication is administered, be certain that it is applied to the correct area or given in the correct manner, i.e. eye drops to eye, ear drops to ear.

#### Disposing of Medication

1. When the duration for administration of medication is up, as noted on the "Authorization to Give Medication" form, the empty bottle (after being washed out) should be placed in the child's bucket.
2. In the case that the medication is not emptied, it should stay in the First Aid room and a note sent to the parents.
3. The note will notify the parents that the unused medication will be discarded if it is not picked up by a designated date.
4. All medication must be discarded through the sewer system.

**Recording Information**

1. All incidents must be recorded the correct forms as needed, i.e. "Authorization to Give Medication", "Incident Report".  
All information must be specific as to the degree of temperature, cause of injury, location and type, i.e. 3/4 inch cut on right index finger. Finger got cut on a toy.
3. Any injury causing a mark constitutes an incident report. The report will be complete with all information surrounding the injury. One copy of the report will go to the child's bucket and the original to the child's file.

**GUIDELINES: WHEN A CHILD CAN RETURN**

These guidelines are recommended by the American Academy of Pediatrics and the American Public Health Association. These guidelines will be observed unless your child has a doctor's release that specifically re-admits them to the School prior the guidelines listed.

<b><u>Fever Free:</u></b>	Must be fever free for 24 hours with the exception of an ear infection. In case of an ear infection, the child may return after treatment of antibiotics has started.
<b><u>Vomit Free:</u></b>	Must not have vomited for 24 hours.
<b><u>Uncontrolled Diarrhea:</u></b>	Defined as an increased number of stools compared with the child's normal pattern, with increased watery stool and/or decreased formed consistency that cannot be contained by the diaper or toilet use. The child cannot return until he/she has had normal stools for 24 hours. If a child is on a medication that causes diarrhea, we need a doctor's note for the file (which we can keep for further reference) and if the child is teething we can allow the child to continue coming to the School at that time (if it is determined this is the cause of the diarrhea).
<b><u>Conjunctivitis (Pink Eye):</u></b>	24 hours after documented treatment for conjunctivitis has begun.
<b><u>Mouth Sores:</u></b>	Must have a doctor's note stating that the child is non-infectious.
<b><u>Rash:</u></b>	With any rash accompanied by a fever or behavior change, the child cannot return until they have a doctor's note stating that the illness is not a communicable disease.
<b><u>Infestations (e.g. head lice, scabies):</u></b>	Cannot return until 24 hours after appropriate treatment has begun and has to be checked by the First Aids/Meds person before re-entering.
<b><u>Tuberculosis:</u></b>	Must have a doctor's note stating that the child is non-infectious.
<b><u>Impetigo:</u></b>	Cannot return until 48 hours after treatment has begun.
<b><u>Strep Throat:</u></b>	24 hours after documented treatment has been initiated.

<b><u>Varicella (Chicken Pox):</u></b>	Cannot return until 7 days after onset of rash or until all lesions have dried and crusted.

## **EMERGENCY PLANS**

### **FIRE AND BOMB THREAT EVACUATION PROCEDURE:**

There will be a long continuous blast from the fire alarm. Children will be evacuated according to the diagram posted in each room or as directed by the police. If the weather is too cold/hot for the children to be outside for an extended period of time, they will go to the designated evacuation site, 15665 Biscayne Blvd, Aventura, FL 33160. In the case of an actual fire or bomb threat, teachers will take a head count and keep their children calm, in the contained area, out of the way of emergency vehicles and personnel until the children are released to their parents. In the event the designated evacuation site is unsafe or unavailable the School will notify by WLRN 91.3 FM radio or tv WPLG Local 10 (ABC) station. Parents should listen to the designated stations for information. An attempt will be made to call and inform parents if this is possible.

### **TORNADO, HURRICANE AND EARTHQUAKE PROCEDURE:**

Notification of a tornado or earthquake will be made through the intercom. The School keeps a weather radio on alert at all times. Children will be evacuated according to the diagram posted in each room. If the children are inside, everyone should take cover under desks, tables or in tornado safe area (as shown on the diagram posted in each room). If children are outside, they need to move away from the building. If there is structural damage to the building, the children will be taken to the designated evacuation site, 15665 Biscayne Blvd, Aventura, FL 33160. In the case of an actual tornado, hurricane or earthquake, teachers will take a head count and keep their children calm, in the contained area until it is deemed safe for the children to be released.

### **BLIZZARD AND POWER FAILURE PROCEDURE:**

If the city's Public Schools are closed for the day due to inclement weather, MAGIC FLUTE MONTESSORI SCHOOL may or may not also close. Parents should call the School prior to dropping off their children. If the city's Public Schools dismiss early due to a blizzard, parents are required to come as quickly and safely as possible to pick up their children. As ratios allow, MAGIC FLUTE MONTESSORI SCHOOL will start sending members of the staff home according to those that lives the farthest away. If the parents cannot come to pick up their child, a ratio sufficient number of the staff, including an on-site supervisor, will stay with the children for as long as necessary. The team will provide activities for the children to participate in until their parents arrive. In the case of a power failure, MAGIC FLUTE MONTESSORI SCHOOL will notify the parents and ask them to pick up their children as quickly as possible. If evacuation due to power failure is deemed necessary, the children will be taken to the designated evacuation site, 15665 Biscayne Blvd, Aventura, FL 33160.

### **CHEMICAL SPILL EVACUATION PROCEDURE:**

In the case of a chemical spill, the children will be evacuated in the same manner as a fire drill. If the area near the School is considered unsafe, children will be loaded into the School bus and in staff members vehicles and take them to an area deemed safe by the authorities. Information will be given to the police and then by WLRN 91.3 FM radio or tv WPLG Local 10 (ABC) station to have them notify the parents of our location.

### **INTOXICATED PARENT PROCEDURE:**

If an intoxicated parent comes to pick up his/her child, School staff will try to detain the parent. The on-site supervisor will contact another person on the emergency list and request that they pick up the child. The on-site supervisor will then tell the intoxicated parent of the pick-up plan. If the School staff are unable to contact another pick up person, the child must be allowed to leave with the parent. The parent would be informed that the police and child protective services will be called to inform them of the incident.

#### **INTRUDER PROCEDURE:**

If an unknown individual gains access to the property/building, a staff member would see if they could be of assistance. This staff member should determine if the individual is an intruder and try to get them to leave the property. During this time, another staff member would then use the designated code to alert other team members in the building and to contact the police. If possible, children will be taken to a designated area in the building. Staff would then proceed as directed by the police. An attempt will be made to try and keep in contact with the all-staff members who are taking care of the children to keep them apprised of the situation.

Staff members who approach alleged intruders should refrain from putting themselves, the children or other staff member in an endangering situation. If the situation becomes hostile, they should try to escape or do what the individual asks until the authorities arrive. The remainder of the staff will be ensuring the safety of the children and will respond accordingly.

#### **LOST OR ABDUCTED CHILDREN PROCEDURE:**

One team member would alert the on-site supervisor for assistance with the search while the other team members stayed with the other children. If the child is not found, the School would contact the parent and then the police. Staff would then proceed as directed by the police.

The children's emergency forms should always be taken when leaving the building. A head count must be taken when leaving the building. In every procedure, either the receptionist or the on-site supervisor will print a report listing all of the children who were signed in as of that time. This information can be printed at the receptionist's computer.

**IN ALL DRILL OR EVACUATION PROCEDURES, ALL STAFF MEMBERS IN ROOMS OR AREAS WITH NON-ABULATORY OR INFANT CHILDREN SHOULD PUT ALL CHILDREN IN A STOLLER OR CRIB WITH WHEELS AND WHEEL THEM OUT OF THE BUILDING.**

## IMMUNIZATION LAW FOR PARENTS

In accordance with the **Florida Department of Health** and **Florida Department of Children and Families (DCF)** regulations, all children attending **childcare Schools, preschools, or daycare facilities** within the state of Florida are required to provide documentation of up-to-date immunizations prior to enrollment.

The following vaccines are **mandatory** for children under the age of 5, and the immunization history must be documented on the **Florida Certification of Immunization (Form DH 680)**:

### *Required Immunizations for Preschool-Age Children:*

1. **Diphtheria, Tetanus, and Pertussis (DTaP)**
  - **4 doses** (with the final dose administered on or after the 4th birthday).
2. **Polio (IPV)**
  - **3 doses** (with the final dose administered on or after the 4th birthday).
3. **Measles, Mumps, and Rubella (MMR)**
  - **1 dose**, typically administered at age 1.
4. **Hepatitis B (Hep B)**
  - **3 doses**, completed prior to school entry.
5. **Varicella (Chickenpox)**
  - **1 dose**, required for children aged 1 year and older. Children with a prior history of chickenpox disease must provide **written documentation** from a licensed healthcare provider confirming the diagnosis.
6. **Haemophiles Influenzae Type b (Hib)**
  - **1 to 4 doses**, depending on the child's age at the time of vaccination, required for children under the age of 5.
7. **Pneumococcal Conjugate Vaccine (PCV)**
  - **4 doses**, required for children under the age of 5.
8. **Hepatitis A**
  - **2 doses** administered at least 6 months apart. This vaccine is specifically required for children attending licensed childcare Schools in Florida.

### *Documentation Requirement:*

- **Form DH 680 (Florida Certification of Immunization):** Parents or guardians must submit **Form DH 680**, completed by a licensed physician or public health clinic, to the child care facility, preschool, or daycare School prior to enrollment. This form must indicate that the child has received all required immunizations in accordance with Florida's immunization schedule.

## MAGIC FLUTE MONTESSORI SCHOOL

*"Where Little Hands Build Big Dreams!"*

### *Exemptions:*

1. **Medical Exemption:**
  - Children who cannot receive a specific vaccine due to a **medical contraindication** must submit a **written statement** from a licensed healthcare provider indicating the medical reason for the exemption. This exemption must be documented on **Form DH 680**.
2. **Religious Exemption:**
  - Florida law permits a **religious exemption** for immunizations. However, this exemption is only valid for **private schools** or **home education** programs.
  - Children attending **public schools** or **licensed child care Schools** in Florida must comply with the state's immunization requirements, except in the case of a **medical exemption**.
  - A **written statement** must be provided to the school or child care facility requesting the exemption based on religious beliefs.

### *Immunization Schedule Compliance:*

- Children must be **up to date on their immunization schedule** before enrolling in any child care School or preschool. It is important for parents to verify that all required vaccines are completed in a timely manner as specified by the **Florida Immunization Schedule**.

### *Additional Considerations:*

- Children who are entering **pre-kindergarten (VPK)** or **kindergarten** must ensure that they have received all required immunizations as outlined by the Florida Department of Health.
- Immunization records should be submitted promptly to avoid delays in enrollment. Non-compliance with immunization requirements may result in a delay or denial of enrollment in a licensed child care facility or preschool.

## IMMUNIZATION LAW FOR SCHOOL AGED CHILDREN

In Florida, the **Department of Health** mandates that all children attending public and private schools, including elementary and secondary schools, be fully immunized in accordance with state law. These requirements ensure that children are protected against preventable diseases and contribute to the overall health and safety of the school community.

The **Florida Statutes** and **Florida Department of Health** regulations stipulate specific immunization schedules for children entering kindergarten, transferring from out-of-state or international schools, and advancing to higher grade levels.

---

### Required Immunizations for School-Age Children:

All children, from **Kindergarten through 12th Grade**, must meet the following immunization requirements prior to entry into school:

1. **Diphtheria, Tetanus, and Pertussis (DTaP)**
  - **5 doses** (with the final dose administered on or after the 4th birthday). If the child is entering **7th grade** or later, the **Tdap** booster (Tetanus, Diphtheria, and Pertussis) is required.
2. **Polio (IPV)**
  - **4 doses** (the final dose must be administered on or after the 4th birthday).
3. **Measles, Mumps, and Rubella (MMR)**
  - **2 doses** (the first dose is usually administered at age 1, with the second dose required before school entry or by age 7).
4. **Hepatitis B (Hep B)**
  - **3 doses** (completed before entering school).
5. **Varicella (Chickenpox)**
  - **2 doses** (the first dose administered at age 1 year, with the second dose typically administered prior to school entry or by age 6).
  - Alternatively, if the child has a history of chickenpox disease, written documentation from a healthcare provider confirming the diagnosis may be submitted as proof of immunity.
6. **Hepatitis A**
  - **2 doses**, administered at least 6 months apart, are required for all students **enrolling in kindergarten** or entering daycare.
7. **Meningococcal (MCV4)**
  - **1 dose** required for children entering **7th grade** or for students entering high school.
  - A **second dose** is required for students entering **12th grade** if the first dose was administered before their 16th birthday.
8. **Human Papillomavirus (HPV)**
  - **Optional**, but recommended for all students, particularly those entering **7th grade**.
  - A series of **2 to 3 doses** is recommended for girls and boys to protect against certain strains of HPV that cause cancer.

  - The **Form DH 680** must be submitted to the school prior to enrollment, and it serves as proof that the child has completed the required vaccination series.

**Exemptions to Immunization Requirements:**

1. **Medical Exemption:**
  - A child who cannot receive a certain vaccine due to a **medical contraindication** may be exempt from that specific immunization.
  - A licensed physician must provide a **written statement** indicating the medical reason for exemption. This exemption is documented on **Form DH 680**.
2. **Religious Exemption:**
  - Florida law permits a **religious exemption** from immunization requirements. However, this exemption is only applicable for **private schools** or **home education programs**.
  - Children attending **public schools** or **licensed childcare Schools** in Florida must comply with the state's vaccination requirements, except when a **medical exemption** is granted.
  - A **written statement** citing the religious grounds for exemption must be provided to the school or school district.

**Important Notes for Parents:**

- **Immunization Schedule Compliance:**

Parents are responsible for ensuring that their child is up to date with all required immunizations before enrolling in school. Delays in submitting the **Form DH 680** may prevent the child from attending school until compliance is met.
- **Transfers and New Students:**

Children transferring to a Florida school from out-of-state or from another country must submit an immunization record that complies with Florida's immunization requirements. This record must be translated into English, if necessary, and verified by a licensed physician or clinic.
- **Ongoing Immunization Compliance:**

Students entering **7th grade** or **high school** (9th grade) are required to provide proof of immunizations, including the **Tdap** booster, **Meningococcal** vaccine, and **HPV** vaccination, if applicable.
