MISSION STATEMENT OF HOPE LUTHERAN CHURCH AND SCHOOL

To reach out and share the Word of God with our student's and educate them through all the activities offered, making disciples who experience the Abundant Life in Jesus Christ.

GOALS STATEMENT

The Summer Day Camp Program has been designed to meet the unique and individual needs of each child. Our ultimate goal is to create a safe and positive learning experience for each child.

Through interaction with others and exposure to certain responsibilities we strive to teach the child respect for him/herself and others.

Through daily exposure to group play, excursions, songs, and activities we strive to make the child comfortable with his peers and community.

Through positive discipline we strive to show each child that he/she has individual worth and that even though his/her actions may at times be inappropriate, his/her feelings are always important.

Our goal is to create a safe environment for all children. This includes first aid, fire, and earthquake preparedness training for the staff.

We strive to make each parent feel comfortable with the child's environment.

In striving to meet all our goals we hope to achieve the best environment for children to grow into responsible caring adults.
