

Discussion Questions/Outline

1. How would you characterize our age in the context of belief in Scripture and the supernatural? How do you think today many see the miracles recorded in the Bible?

2. Why do you think the Ten Plagues are so important to study and understand?

3. Do you think the Ten Plagues still fit within the general purpose of miracles? Explain. What is a miracle? What is the purpose of miracles? Why are events like this not happening now?
