

Discussion Questions

1. What does God pledge to be the result of the last plague? Why would this plague be the one that produced this result? According to the text (Exo. 11:5-10), what other factors would weigh on the decision of Pharaoh? In principle, does this happen today?

2. What was the Passover (Exo. 12:1-28)? What was involved? What actions were required of the people?

3. What is the spiritual significance of the Passover? Is there any foreshadowing in this event? Are there other spiritual lessons or parallels that we can make?

4. Who was impacted by the plague (Exo. 12:29-30)? What would be the implication of this plague in the context of God's stated purpose for the plagues?
