

Discussion Questions

1. Why are these early chapters in Exodus so crucial to understanding the Plagues (Exo. 1:6-8)?
2. What were conditions like at the time (Exo. 1:9-22)? To what extent were the Egyptians willing to go to suppress the spiritual and physical growth of the Hebrew people? What lessons can we take from this section?
3. Often the providence of God works through ages of time to prepare for an event. How would you describe the salvation, birth and early life of Moses? How do you view this series of events?
