

Discussion Questions

1. Why would a record of genealogies be so important to the story of Jesus' birth (Matt. 1:1-17; Luke 3:23-38)?

2. What do these genealogies tell us about God's role in human history (especially as it relates to Jesus)?

3. Do you notice any differences in the two records (Matt. 1:1-17 and Luke 3:23-38)? Why do you think they are different?
