

Discussion Questions

1. How do you understand the magicians of Egypt (7:8–13, 22)? Were they endowed with miraculous power too or is something else going on here? What do you believe is happening in this situation?

2. Why was the water to blood such an important miracle in this time and place (7:14ff)?

3. What was the scope of the miracle? How much water in Egypt was involved? What would be the effects of this?

4. What was the end result of the miracle? Was any progress made with Pharaoh? Why do you think he responded the way he did?
