Discussion Questions

1. How do you think most people view worship? Especially in modern denominationalism, what seems to be the purpose or focus of worship?

2. Is worship a central part of the Lord's church? How do we know that worship is part of the church's identity?

3. Consider the words of Jesus in John 4:23-24 (and other related passages)? What is worship? Who is the audience of worship? God lists the standards of worship. What are they?
