

TRUTH BE TOLD

We live in a world where anything can be accepted as true and encourages us to define our own truth. Phrases such as "my truth," "live your truth," "do what's true for you," are used everyday. These phrases force us to ask, and answer, the question, "Is there such a thing as absolute truth?" And if there is, how does that affect our life? This summer we are going to take a look at the life of Jesus through the book of John to see how Jesus himself defines truth. Our prayer as we study the book of John together is that we would respond with love and affection for Him and have a greater priority for and deeper understanding of the truth, His word.

PONDEROSA OVERVIEW

Ponderosa, our camp at Hume Lake for high school students, is an incredible place to get away from the busyness and distractions that young people face on a daily basis and spend time away at camp. At Ponderosa this summer, you will hear the Gospel preached, be challenged through scripture, engage in awesome worship through music, and get some time—both alone and with your church—to process what God did in your life during your week at camp. You'll get to be part of our high energy recreation every morning, and action-packed afternoons and evenings; this includes, but is not limited to, playing in the mud, running the Gauntlet and dominating in Kajabe Kan Kan. If you allow Him, the Lord can use a week at Ponderosa to change your life forever. We look forward to seeing you this summer!
