

GIRLS WOMEN JUST WANT TO HAVE FUN!

Submitted by Mary Kay Wilder

Tallahassee Women's Newcomers Club is a social group for women offering several large and small group activities each month. The club was established in 1973 and has helped women forge wonderful friendships for fifty-one years. TWNC welcomes ladies who are new to Tallahassee as well as those who have lived here for many years who just want to have fun!

The largest attendance is at the monthly Luncheon that is always on the second Wednesday from 11 A.M. to 1 P.M. Reservations are required by the Sunday prior to the luncheon. Generally, about seventy ladies attend and enjoy a wonderful catered luncheon, an interesting speaker, and a brief business meeting.

Arlene Sandberg, Kay Campbell-Williams, Susan Ivey and Susan Potts, members of Music Makers, entertained the group with a sing-a long at the August Luncheon.

Janie Fuchs, JoAnn Schlorholtz, Sharon Teskey, Jan Bell, Sue Livingston, Ivy Mitchell, Peggy Coppins, Leah Wiederspahn, Caroll Sankey, and Ro Kemper put on a terrific Style Show at a recent Luncheon.

The Coffee is the second most attended activity with about thirty ladies monthly. It is almost always on the fourth Wednesday from 10 – 11:30 A.M. Breakfast items are donated by a few volunteers each month, and no reservation is required. It is a fantastic opportunity to visit with others and make friends.

Jacalyn Boddie, Amber Whetstine, and Susan Gertel enjoy breakfast and conversation at a recent Coffee.

Members had fun participating in a Crazy Hat contest at a recent Coffee.

Social Hour takes place on the fourth Friday of each month at 6 P.M. Members bring a dish to share as well as their own beverage and spouses or guests are welcome.

Many small group activities with twelve or fewer members are available to choose from. They include book clubs, card groups, Mahjong groups, walking groups, craft groups, and more. Any member can form a new group and are encouraged to do so. These groups are the best for really forming close relationships. Ideas for new activities just need to be approved by the Board.

President Artis Gray, Mary Willis, Jaime Dexter, and Mary Turbak enjoy playing Mahjong.

Meta York, Elizabeth Schilson, and Sue Livingston work on their beautiful needlework projects.

If you “just want to have fun” please contact TWNC by emailing tlhnewcomers@gmail.com. New members are always welcome! Whether you come to one event a month or a dozen is up to you. More information is also available on our webpage <https://tallahassee newcomers.com>.
