

# **Delightful Holiday Fashion Show**

**Submitted by Mary Kay Wilder**

The Tallahassee Women's Newcomers Club (TWNC) enjoyed a delightful holiday fashion show with Dillard's providing the lovely apparel and commentary at our November Luncheon. Member volunteers modeled outfits that they might enjoy wearing to casual and dressy events this fall and winter. Janie Fuchs and Rosemary Kemper served as committee co-chairs for the annual TWNC Fashion Shows. They have organized this event for many years, collaborating with different models and department stores over the years.

The show opened with eight models strolling among the eighty-two ladies in the audience to give them a close up look at each garment. Several outfits inspired members to treat themselves to a new garment for the holidays. For the grand finale, the models gathered on the stage in their dressiest attire. Dillard's staff members were extremely helpful and friendly with the planning and execution of this special event!
