

LAUNDRY LOCKERS

For Property or Jobsite

- A premium service to set your properties above the competition
- No cost to Property
- Managed/Maintained by Rocket Laundry
- Reduced wear and demand on property owned machines.

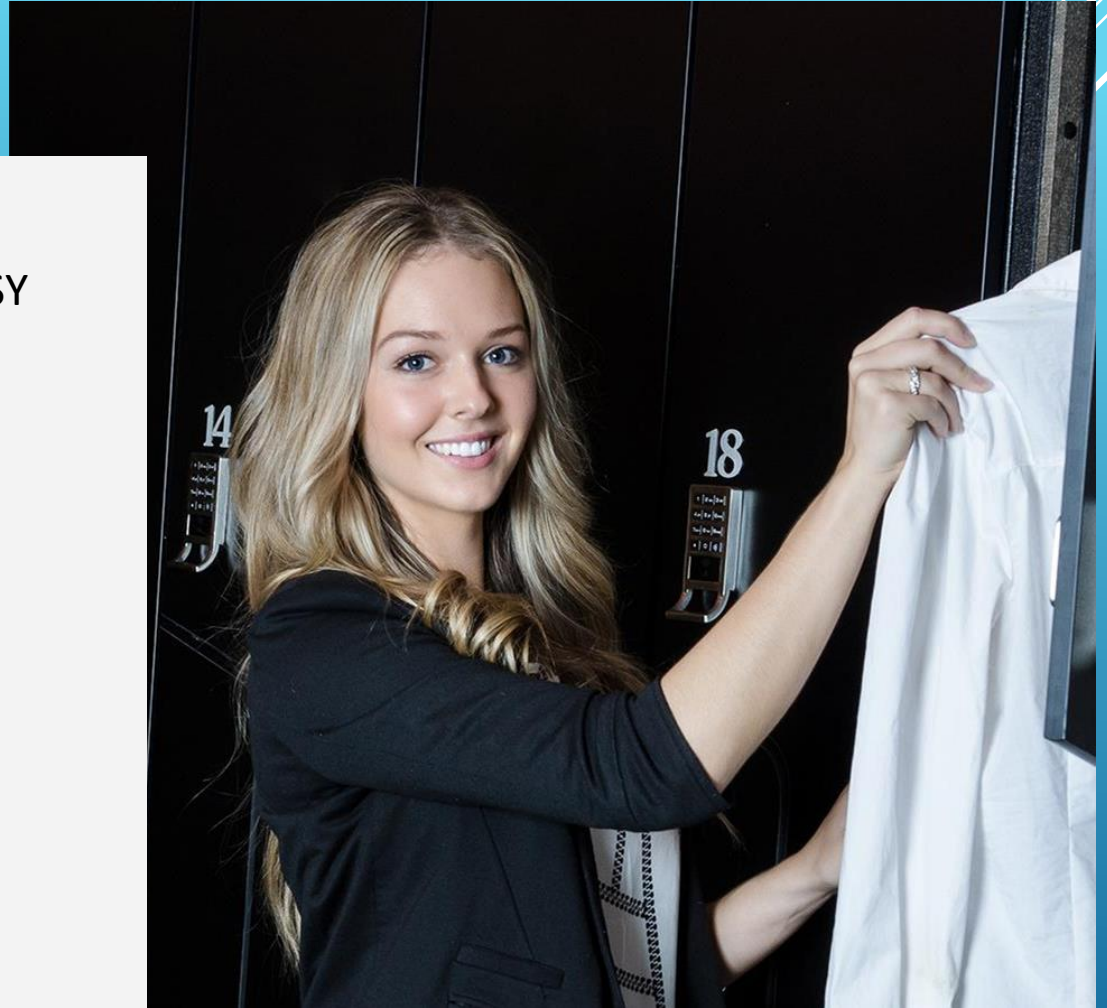

LAUNDRY HAS NEVER BEEN SO EASY

Rocket Laundry lockers are installed at **no cost** to owners and provide a **convenient drop off and pick up point** for your residents to have their laundry done for them.

Rocket Laundry is locally owned. We self-perform all work. We do not Door Dash nor do we sub out our work. We are wholly responsible for the customer's experience.

03

HOW IT WORKS

01 Create Account

Create an account online or via the Rocket Laundry Pickup app, place garments in any open locker and set personal locking code

02 Place your Order

Make an order online or via the app

03 Receive Notification

Receive a notification within 24 - 48 hours to find out what locker your clean order is in and the code to open it

BENEFITS

- Unique luxury service provided to tenants
- Great perk for employees that are hard to retain
- Less wear and tear on property or personal washing machines
- No building utilities required
- Easy, regular service for tenants with small washer
- Rocket Laundry is responsible for customer's clothes throughout the process.

LAUNDRY HAS NEVER BEEN SO EASY

05

SPACE REQUIREMENTS

We require space for approximately 2 - 4
locker towers (6-12 compartments)

“

The quality of work was excellent. I felt my clothes were new. The option to pick-up & deliver was great for my variable schedule.

-Diana
