

Kyody Machining & Fabricating Ltd.

Policy

- Equipment should be clean from oil & grease before inspection.
- We will never give a verbal estimate. If an estimate is required it will be completed on a paper estimate form. A low estimate and a high estimate will be given. No estimate is needed if work is on-site, on an hourly basis.
- Any damage caused by lack of cleanliness will be on the customer unless previously discussed.
- There will be a minimum two hour mechanic charge for dismantle and inspection of customers equipment.
- If cost is an issue we will prioritize most critical aspects of repair first.
- Payment Methods we prefer are Cash, Cheque, or e-transfer (info@kyody.ca).
- Payment is due within 30 days of Invoice.
