FTKP is the best way to get your child prepared for **Preschool/Kindergarten** and **beyond!**

Our same great Early Child Learning program activities and crafts, can now be done in your home!

What is ECL @ HOME?

It's an opportunity for our program to be used by the parent with their child(ren) at home. We provide everything that is needed to teach a 2 to 5 YO for about 1.5-2 hours/daily, up to 4 days/week.

What is the supply bucket?

The yearly supply bucket includes all at-home supplies that will be needed (crayons, markers, dry-erase markers, dry-erase sheet cover, paintbrushes, etc.) The fee is \$25.

What if I have more than one child that I'd like to do this for?

No problem! We offer a 50% discount on the kits for siblings and a second supply bucket is not required.

Do I have to purchase the supply bucket?

We highly recommend it. We include all the basic necessities. All items not included, i.e, paint, will be given in the weekly totes. If you still prefer not to get one, there is a \$6 fee for our totes & folders that are required.

How does it work?

Sign up for 2 or 4 day/week kits. All prepared kits can be picked up Thursdays & Fridays. Those kits are set to be used the following week. Each family gets two plastic totes and two plastic folders. One tote and one folder is used each week for the weekly supplies/agendas. When you pick your kit up you drop off the previous week's tote & folder. These will be sanitized after each use.

How to stay connected?

Those who sign up will get an invite for our private Facebook group for our ECL @ HOME. We utilize this group to stay connected by sharing projects, ideas and an occasional virtual gathering.

Do the weekly kits include the Montessori bin items?

Unfortunately, no. We do provide a list of suggested items that can be used for that week's theme and we will include random items when available.
