NEW THIS YEAR: Bring any art supplies you're not using any more (or never used). There will be a table for our first ever Art Supplies Exchange. Leave your unwanted supplies on the table for someone else to enjoy—and maybe find something for yourself! Please package paints in a plastic bag to avoid leaks. Let's help each other out!

Luncheon will be followed by a brief **business meeting** presenting and voting on the slate of Board officer nominees for 2026.

Immediately following the meeting the results of our **Pop-up Gallery** will be announced. Members who wish to participate should bring a framed or matted painting, get a number for it when you sign in, and put it on display in the front of the room.
