Kathy Miller Workshop Registration Form

Inspired by Nature

The Way of Water

Tuesday and Wednesday
October 3 and 4, 2023

Mark your Calendars

'Surf 2' © Kathy Miller

Join Kathy Miller, a Signature Member of CCWS in this exciting exploration of how to paint water. 'We'll have two days to explore the subject of water. Lakes, rivers and ocean waves will provide us with endless possibilities. Splashing and tumbling or calm and reflecting. We will do them all!

We'll work from photos. Yours or mine. There will be a morning demo and if time allows a small demo in the afternoon.

Special requests are always welcome. If there is something in particular you have trouble with, let me see if I can help.

No special supplies are required. Use what you have already. I will share anything of mine you would like to try. I hate to buy things and find out I really don't like them that much.'

Workshop Details

Our workshop venue is a large, well lit, comfortable, open room with lots of space to spread out.
