

5TH BIRTHDAY

PARTY PACK

WHO WE ARE?

For many homeless people, their animal can be their only relationship, which provides a source of unconditional love.

Homeless people care deeply about the health and welfare of their pets. Yet they find it impossible to access veterinary care or are separated from their pets when accessing temporary housing.

Street Paws ensure that their bond is never broken. We provide free accessible vet care and kennel provision to homeless people across the UK.

Founded in Newcastle in April 2016, Street Paws currently provides monthly outreach across the UK.

JOIN THE STREET PAWS PET PARTY?

From the 5th- 9th of April we will be hosting a week of pet party activities and celebrations for our 5th Birthday!

On the 6th of April, we will be holding the "WORLD'S BIGGEST PET PARTY" via zoom inviting you to join with your pets and allowing them to socialise after many months of being separated.

Celebrate with us by using the ideas within this party pack and sharing your celebrations and fundraising activities with us on social media from the 5th - 9th April as well as taking part in our zoom party.
