It is our strict policy that members are required to attend ALL rehearsals and performances. Please do your best to schedule around these dates.

It is expected that students will not miss competitive performances for ANY reason!

Please make every effort to schedule your SAT, PSAT, PLAN and ACT weekend testing dates on non-performance dates.

If you must take the ACT or SAT in Oct. or Nov. you should be able to complete testing before our tournament call times. But if possible it is best to avoid scheduling tests on our competition dates.

The SAT test dates that **do not** conflict with our scheduled performance dates are: Dec. 1, Mar. 9, and May 4.
