- ▶ Mama Pat's Foods have produced a healthier alternative to the Ramen Noodles of the past. Knowing that over the years we have come to love the savory flavors of ramen style noodles as an inexpensive comfort food. We set out to provide a great tasting ramen with our communities health in mind. So we have drastically REDUCED the sodium content that most other ramen noodles have as well as providing a more hearty wheat based noodle cake. Not only that but our NEW and innovative recipe based flavor pallet definitely help to set us apart from competitors just to name a few of the benefits.

Also research has shown having high blood pressure puts you at risk for heart disease and stroke, which are leading causes of death in the United States. About 75 million American adults (32%) have high blood pressure— that's 1 in every 3 adults. ... Only about half (54%) of people with high blood pressure have their condition under control. It was our mission to offer a guilt free alternative for all to enjoy... Adults, Kids, College Students, Inmates, those battling Diabetes, High Blood Pressure, and the Health Conscious communities.

Thank you for reviewing Mama Pat's Reduced Sodium Ramen Noodles. We hope you consider our brand to be part of your product line. We bring innovative and tasty products that come with passion, love, and quality in every package.

Thank you for the opportunity!
