CBD Water Soluble

200mg

SPRAY UNDER THE TONGUE OR INTO YOUR FAVORITE BEVERAGE OR USE TO FLAVOR WATER

WIDE VARIETY OF FLAVORS AVAILABLE

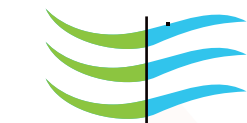

CBD

OIL vs. WATER SOLUBLE

Our body is roughly 70% WATER and absorbs water soluble CBD up to 90% more efficiently than CBD oil.

AS A RESULT:

- Less CBD is lost through liver metabolism
- CBD travels quickly to where it's needed most
- It provides fast, effective relief!

WATER-SOLUBLE CBD CAN HELP REDUCE PAIN, IMPROVE MOOD, DECREASE ANXIETY, INCREASE FOCUS AND CREATE A SENSE OF WELL-BEING IN AS LITTLE AS 5-15 MINUTES.

Know Your CBD

The Power Within

The Endocannabinoid System (ECS)

CB₁ RECEPTORS

Located in the brain and the central nervous system.

CB₂ RECEPTORS

Found on cells throughout the body and immune system.

The hemp plant contains one of the essential endocannabinoids, Cannabidiol (CBD). When taken as a supplement, CBD from hemp strengthens the ECS, bringing the body back into balance.

BIOAVAILABILITY

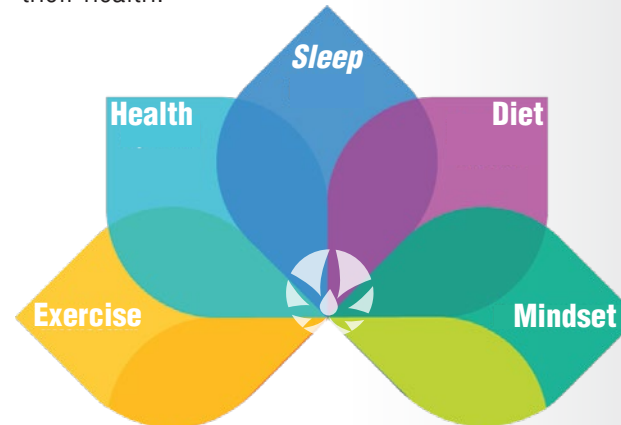

MediPrana's full spectrum, nano-enhanced CBD oil and water soluble promote health and wellness, by providing the missing elements from a depleted ECS and restoring harmony between the body, and the surrounding environment.

Full spectrum vs. isolate?

Full spectrum CBD includes other cannabinoids and terpenes, creating what is known as the "Entourage Effect". Studies have shown that full spectrum CBD is more effective than isolate CBD, which contains CBD only. We recommend our isolate products for those subject to THC testing.

mediprana Advantage

We have taken the benefits of CBD oil to a higher level of quality and effectiveness. Our commitment is creating a unique advantage for our clients and their health.

Making the Best Even Better with Nanotechnology

- Natural extraction without hydrocarbons or chemicals
- Full spectrum with terpenes and cannabinoids
- Option for isolate
- Nano-enhanced for superior bioavailability and effectiveness
- Emphasis on appealing flavors and scents
- Organic ingredients added with no preservatives
- Ability to create custom orders
- Third party tested
- Education and support

ALL NATURAL PESTICIDE FREE 3RD PARTY TESTED
CLEAN, HYDROCARBON-FREE EXTRACTION. NO SYNTHETIC FILLERS OR PRESERVATIVES.
