

## **Thinking about *OHIO! The Mystery of the Mound***

1. Why was Brady barking when he biked by William's house with his friends?
2. Why did William say he's no longer interested in rocks? What might be the real reason?
3. What are mounds made of? Why should mounds be respected?
4. Why is Wyan Mitchell called Wyan?
5. Who was with Brady at the MOCC, and what did he do?
6. What does Snub the Club mean?
7. What did Josh find when he used the rock scoop? What else did they find that day?
8. What did Josh and Lizzie find when they went treasure hunting after dinner?
9. What is flintknapping?
10. How did Dr. Chadwick get William and Wyan to work together?
11. Josh knocked over a bucket of rocks in Williams room when he first arrived. What was in the bucket?
12. Which two specimens convinced Dr. Chadwick to do more research with the magnetometer?
13. What did the scientists find out after using the magnetometer?
