I could show the world how to smile
I could be glad all of the while
I could change the gray skies to blue If I had you

I could leave the old days behind
Leave all my pals, I'd never mind
I could start my life anew If I had you

Sail the mighty ocean wide
I could cross the burning desert
If I had you by my side

I could be a king, dear, uncrowned

There is nothing I couldn't do If I had you

1. After you've gone and left me crying
After you've gone, there's no de-nying
You'll feel blue, you'll feel sad
You'll miss the best-est pal you've ever had

There'll come a time, now don't forget it
There'll come a time, when you'll regret it
Some day when you'll grow lonely
Your heart will break like mine and you'll want me only
After you've gone, after you've gone away

2. After you're gone, after we break up
After you're gone, you're gonna wake up
You will find you were blind
To let somebody come and change your mind

After the years we've been together
Through joy and tears, all kinds of weather
Someday blue and downhearted
You'll long to be with me right back where you started
After you've gone, after you've gone away

Pretty Good At Drinkin' Beer *Capo 3*

I wasn't born for diggin' deep holes
I'm not made for pavin' long roads
I ain't cut out to climb high line poles, no
But I'm pretty good at drinkin' beer

I'm not the type to work in a bank
I'm no good at slappin' on paint
Don't have a knack for makin' motors crank, no
But I'm pretty good at drinkin' beer

Chorus 1

So hand me one more That's what I'm here for
I'm built for having a ball
I love the nightlife I love my Bud Light
I like 'em cold and tall

I ain't much for mowin' thick grass
I'm too slow for workin' too fast
I don't do windows so honey don't ask
But I'm pretty good at drinkin' beer

A go-getter maybe I'm not
I'm not known for doin' a lot
But I do my best work when the weather's hot
I'm pretty good at drinkin' beer

I was rambling
through a Texas border town Just
another guy with plenty of time
She was wandering too when her eye
caught mine
In the panhandle town along the
border line
Well the night was cold and dreary
And the rain that was falling sure was
falling fast And I was getting leery
cause I'd left another dearie in a town
I'd passed But I'll never roam from
this border town Cause I married that
gal and then we settled down

Intro

Well I've been out walkin'
I don't do that much talkin' these
days

These days
These days I seem to think a lot
About the things that
I forgot to do   and
all the times I had the chance to

And I had a lo-ver   It's so
hard to risk another these days
These days

Now if I seem to be afraid
To live the life I have made in
Song Well it's
just that I've been losin' for so long

Don't confront me with my failures
I had not forgotten them
